2026 Jamaica Mission Trip

by Mike Kennedy

For several years God has blessed me with an opportunity to go on mission trip to Jamaica. In 2009, I started taking work teams to serve in VBS programs, construction projects, and medical clinics. This year, I went to teach in the Bible college at the Mineral Heights campus and help set up the library at the Kingston campus.

There are several churches on the island that we have helped over the years. On this trip, I was invited to a preachers' meeting. During the meeting, I met and prayed with preachers from over a dozen different congregations. The map above shows some of the congregations I am praying for this year.

The highlight of my trip was riding on the school bus for the Mineral Heights Christian School. Roydel Dixon is the preacher at the church in Mitchell Town. However, like me, he is also a school bus driver. Roy invited me to go see the work that was being done on the Mitchell Town church building. However, I would have to ride with him on his afternoon bus route. I had no objection. Spending time with the children, hearing their stories, and seeing their joy and love for Jesus was the greatest blessing of the trip.
