

MINNEHAHA CHURCH OF CHRIST

SERVING WITH LOVE

LORD'S DAY NOVEMBER 28TH 2021

Help for Haiti

Haiti is on one end of an island in the Caribbean Sea and the Dominican Republic is on the other end. Haiti is poverty personified, and with hurricanes and earthquakes, the scene is grim.

The official count of buildings damaged by the August 14th Haiti earthquake was 136,800 buildings. Nearly 61,000 of these buildings were homes that were completely destroyed leaving thousands homeless. *International Disaster Emergence Services* (IDES) is constructing homes as well as providing food, supplies, and medical care. Each home costs \$10,000. Currently there are 30 homes under construction.

Most earlier houses were not built to code and that has added to the huge losses. The IDES houses are to code.

Haiti. Many believers have been living in tents. Pray as the construction on new housing progresses. See more on the back page. **Jaffet Perez**, past member of the *Minnehaha Church*, is interfacing with brethren in Haiti. Pray for his wisdom.

LET'S PAY ATTENTION

The Lord is in charge of the flow of world events. His will is being done as was done in Jerusalem where the wrath of God fell on the city that crucified Jesus. He told the believers when to leave the doomed city. If they were **paying attention**, they left and did not face the worst city destruction in the history of mankind.

Likewise, we need to pay attention to what is happening. There are forces that are determined to destroy the nation by revising its history (Critical Race Theory), redefining male and female, confiscating all money, controlling all medical care, controlling what children are taught beginning with pre-kindergarten. Believers need to be positioned to speak up for the cause of righteousness and peace.

The mission of the Minnehaha Church of Christ is to worship God, equipping every member to serve and build up one another and to lead people into a saving and enriching relationship with Jesus Christ.
