MINNEHAHA CHURCH OF CHRIST

SERVING WITH LOVE

LORD'S DAY AUGUST 7TH 2022

Africa is Enormous --

In flying from Zimbabwe non-stop to London, I was puzzled on why the flight was taking so long. We were served filet mignon at the beginning of the flight and before we reached London, another round of filet mignon was served!

Only recently have I understood. Africa is large enough to contain Europe, the United States, India and China.

Bev Meyer put this map up for viewing last week, so I decided that we all needed printed copies. -- Charles

The Kubows are conducting a Grandparent's Camp for their grandchildren in Deer Park, Washington, just north of Spokane. The children sleep at their own home, but do lots of special things each day. Joy has been preparing games and even had T-shirts printed to mark the occasion.

Dave will be speaking for the *Christ's Church* today and they will return to Vancouver tomorrow, Monday.

As our society is disintegrating around us, it is important for families to build solidarity and memories that help them to be united in the face of the storm. The family unit is very important in God's dealing with us.
