SERVING WITH LOVE

Watching church on the Internet is like watching a fireplace on a screen. You see it, but you can't feel the warmth.

**LORD'S DAY NOVEMBER 13<sup>TH</sup> 2022**

# One Way God Works

By Charles Dailey

**John Pemberton** was a Prisoner of War during WWII: Captured at the Battle of the Bulge. He promised that if God would get him home, he would serve Him for the rest of His life. When John was released, he was able to enter *Kentucky Christian College* and prepare to serve the Lord -- somewhere.

At school, he met **Dennis Pruett** who had made a similar promise to the Lord. Then the two of them attended a conference and met **Garfield Todd** who was Prime Minister of Southern Rhodesia (now Zimbabwe, Africa). Before becoming Prime Minister, he had been a *Church of Christ* missionary from New Zealand. He was looking for men to work for the Lord in his country.

About 1956, the Pemberton's built a school in Mashoko to teach the children not only reading and writing, but also about Jesus. Dennis Pruett got a medical degree and launched a clinic in Zimbabwe with a church for the healing of souls.

**Lois** and I spent three months among the descendants of these workers in 1994 and saw for ourselves what a wonderful impact for Christ these workers had. There were *Churches of Christ* spread through the land.

*Zimbabwe Christian College* has a web page and has many pictures on their Facebook site.
