SERVING WITH LOVE

Medical Warning:

The Bible

can become habit forming. Regular reading can cause loss of anxiety, fear, and decreased appetite for impatience and anger.

Symptoms include increased love, joy, peace, patience, kindness, faithfulness, gentleness and self-control.

If symptoms persist, thank the Lord.

LORD'S DAY OCTOBER 30TH 2022

Report from Southeast Asia

by Laine Johnson

In February, Ahti reported civil war combat a short distance from our villages. Unfortunately, a newlywed couple was killed by the crossfire. They had been married only for three months.

The people there were so afraid they fled to save their children and their lives. A few days later, *Asia's Children* contacted military officials and negotiated an evacuation of over 100 civilians from an area facing imminent combat.

The refugees, joined by refugees from other nearby villages, were brought to our villages and were provided with housing, food and Bibles. At one point, Mula Christians were helping nearly one thousand refugees.

It is a wonderful thing that villages which did not have the resources to properly help themselves in 2020 were able to help others in their time of need a year and a half later.

Just as Joseph was prepared by God to help God's people survive famine, God planned in advance that the suffering of Mula Christians would result in help to many beyond the (Mula) river.

PRAYER LIST ITEMS:

-- **Jerri Hastings** while she undergoes treatment for lung cancer.

-- **Janell Judd** is dealing with lung cancer. Let us pray for her strength and wisdom for her doctors as they administer chemo treatments.

-- **Joyce Ryan** is dealing with health problems beyond the normal. Pray for both **Elliott** and Joyce Ryan.

Our cover today has a touch of humor, but should not be dismissed. While **Mike Kennedy** does an outstanding job of presenting the Scriptures on Sundays, we need to have our own pill bottles and take the medicine of God's Word every day. The Bible can be read -- there are paper copies and electronic copies that fit phones, tablets and computers. There are audio versions. This writer combines his daily walking with listening to a dramatized version of Scripture.
