Falsehood

By Charles Dailey

Jesus was and is our example of how to live. His love for people caused Him to speak up about falsehood.

Joseph Smith, founder of Mormonism, said:

... with Moroni, whom I have sent unto you to reveal the *Book of Mormon*, containing the fullness of my everlasting gospel (Moroni was supposedly an angel.) *Doctrine and Covenants*, Section 26:2a.

The **Apostle Paul** had been picked and confronted by God while traveling to imprison Christians. Later he wrote:

Let God's curse fall on anyone, including us or even an angel from heaven, who preaches a different kind of Good News than the one we preached to you. I say again what we have said before: If anyone preaches any other Good News than the one you welcomed, let that person be cursed. Galatians 1:8-9 NLT

The Mormon religion changes the meaning of early Christian words, making discussion hard to pinpoint the truth.
