## More on Thanksgiving:

The song "*It Is Well With My Soul*" was written by a successful Christian lawyer, Horatio Spafford. His only son died at age four in 1871. In 1872, the great Chicago fire wiped out his vast estate, made from a successful legal career. In 1873 he sent his wife and four daughters to Europe on a summer trip on the ill-fated Steam Ship *Ville du Havre*.

Since he had a lot of work to do, he planned to follow them later. The ship sank and he lost his daughters with the wife being the only survivor. She sent him a famous telegram which simply read, "SAVED ALONE...."

On his return home, his Law firm was burned down and the insurance company refused to pay him. They said "It's an Act of God." He had no money to pay for his house and no work, he lost his house. Then while sitting and thinking what's happening to him, being a spiritual person, he wrote a song -

"Whatever, my Lord,  
You have taught me to say -  
It is well, it is well with my soul."

When you look at your life, career, job or family life, what do you say? Do you praise God? Do you blame the devil? Just sit down and say, "Today, God, it is well with my soul, I am *thankful* I had a peaceful sleep, I am *thankful* I am alive with possibilities, I am *thankful* I have a roof over me, I am *thankful* I have a job, I am *thankful* that I have family and friends.

Above all, I am *thankful* that I have the Lord Jesus Christ on my side." Be blessed and don't be envious or shocked when others are prospering because you don't know what they have been through to get there (test, trials and tribulation) so *thank* God for what you have. "Little is much when God is in it." -- Copied

## THANKSGIVING By Charles Dailey

From the cover: *I Have a home.*

An increasing number of people do not have a liveable home. See their tents along the freeways. I thank the Lord each day for my very comfortable and well-equipped home.

*I ate today.* Many people eat the same flavor of rice or wheat several times a day, but I can choose what both tastes good but is good for me. I thank the Lord for each meal following the example of Jesus.

*I have water to drink.* Clean water is scarce in many places, but I have it coming out of faucets in my house. I don't have to go somewhere to fill a container and carry the water home.

*I am breathing.* Survivors of Covid have a new appreciation of simple breathing.

Making thanksgiving to the Lord an integral part of every single day opens new vistas of living while steering us away from the complaint desk.
