Dave Kubow continues with the Covid Virus. The plans and outlook change frequently. As of Friday night Dave is in *PeaceHealth Hospital* receiving the anti-viral drug Remdesivir as IVs. Dave indicated that it was easier to breathe. **Joy** is feeling stronger and is on the mend.

Mark Williams has stepped up to the plate and will be teaching every Sunday until Dave is back. Today is the final chapter of Luke and then we go to Exodus. The first Exodus lesson is background for the book and the importance of Moses in western civilization.

Beginning next Sunday, we will have stories about mission work and local matters on the page four of this bulletin.
Upgrading and reprinting the church's pictorial directory has been slowed a little because Dave Kubow has been our photographer. We will be in production again by the end of October.
