

MINNEHAHA CHURCH OF CHRIST

SERVING WITH LOVE

Some people could be given an entire field of roses and only see the thorns in it. Others could be given a single weed and only see the wildflower in it. Perception is a key component to gratitude, and gratitude is a key component to joy.

LORD'S DAY MAY 22ND 2022

Building a Cohesive Church

With life changing fast for so many believers, the church elders are on the watch that we remain a team and not a fleeing crowd. One member, Violet Dillion, is 600 miles away. Others are at some distance, also. A device for holding us together is our *church directory*. It contains photos of each individual or family as well as phone numbers and addresses.

We are developing an online version that will be an app for cell phones and tablets as well as having a computer version. It will work on Apple, Android, Kindle Fire, and Windows machines. *Online Church Directory*, a company that specializes in church directories, is guiding the project.

It has many advantages over the paper copy, *but there will always be a paper copy for those who prefer it.*

The start-up version will have some out-of-date photos, but those can easily be changed. There will be many safeguards to keep the public out of the information. Information about children will be highly restricted, especially addresses and phone numbers. The addresses of others who do not want their location published will be left out. Each person listed will have their own personal password that is different from anyone else.

Birthdays will be listed by each photo. We hope to have this directory available by the end of June.
