Keeping a church together with the ever-changing rules for protection against Covid-19 is a major challenge. Tragically, some believers in other places are turning the rules into grounds for division. On the positive side, we have several ways keeping in touch that are proving effective. The church directory lists the latest known phone numbers for each friend and member. Directories are available for the asking. For members who have smart phones, tablets or computers, we have an app that keeps us in touch and up to date. Go to the *Google Play Store* (or the *Apple* equivalent) and enter “Minnehaha Church of Christ.” This product is under the supervision of **Sam Judd and you can ask him for details on how to install and use the app.**
