CHURCH OF CHRIST**

SERVING WITH LOVE

LORD'S DAY MAY 8TH 2022

A Photo the Media Ignored

This is a photo of “Roe” in the *Roe vs. Wade* abortion decision. *Jane Roe* was a legal pseudonym for a real person: **Norma McCorvey**. Norma McCorvey came to believe that she was wrong in her lawsuit and jumped on the other side of the fence and became a believer and was baptized by **Flip Benham** in 1995. She began speaking against abortion wherever she was invited. The photo was taken in 1995.

Flip Benham, director of Operation Rescue National, baptizes me in the pool of a private home in North Garland, Texas, on August 8, 1995.

(Incidentally, she never had an abortion.)

What a wonderful plan the Lord has of forgetting our past and putting each person on the road to Glory.

Wade vs. Roe injected the Federal Government into all abortion decisions by declaring it to be a “right.” To reverse *Roe* removes the Federal Government from the decision and returns it to the laws of individual states. Some states such as California plan to make an industry of entertaining women from states where abortion is prohibited and killing their babies.

The Lord has an arsenal including drought, disease, earthquakes, fires and windstorms.
