1. How many seals was the Lord Jesus going to open?
2. Would the seals be good news for people who did not believe in Jesus?
3. Why will opening the seals be good news for Christians, those who know and love God?

Answers:

1. The Lord Jesus was going to open the seven seals
2. Opening these seals would be very bad news for unbelieving people who live on earth; for those who do not know and love Jesus. It will be bad news for all who hate God and do what is evil in his sight.
3. Opening the seals will be good news for the people of God for all who love Jesus. It will be good news because God will finally judge those who hate his Son Jesus. God will finally judge those who have done mean things to his people.
