QUESTIONS (REVELATION 9:1-21)

1. What happened when the angel blew the fifth trumpet?
A star (heavenly being) was sent to the earth to open up a bottomless pit filled with demons led by Satan. Strange locust-like creatures will sting people all over the world for five months, but they will not die.
2. Does Satan have the same power as God?
Satan comes to steal, kill, and destroy. He does not give, create, or bring life. He is only permitted to do what God allows. God will punish Satan for all he has done and for his own rebellion against God.
3. What happened when the sixth trumpet was blown?
Angels were released from east of the Euphrates River. They led an army upon terrifying beasts that spread plagues of sulfur, fire, and smoke. This army would kill a third of the remaining rebels on earth.
4. Why do you think the rebels on earth would not turn from their sin and repent?
The rebels hate God. They love to sin and do not want to give it up. They think they know better than God and refuse to believe that they are wrong and repent.
