

# What the Bible Means to Me

This is what the Bible means to me. Throughout a lot of the Bible you can see a lot of persecution happening. I see that part as a reminder of that there will always be struggles in life and that you need to go to God for wisdom and help. Thru the beginning of the Bible you can see God creating everything. To me this shows that God has all power and control over everything. To me this also shows that God has a purpose for you and me. Another part of the Bible to me shows that God has a perfect plan. Even though we may mess it up, God will be right there with us. This is what the Bible means to me.
