## **“The 4 Great Activities of The Kingdom” “Part 2 of 2”**

### Introduction

Jesus has been in Galilee preaching, teaching & having compassion on the people.

Jesus, the Great Communicator, wants “all to be saved & to come to the knowledge of the truth”. (I Tim 2:4)

Jesus gives 3 great discourses in Book of Matthew

- Matt 5-7 – Sermon on Mount – The Past or basis and foundation of what the kingdom should be.
- Matt 13 – Parables of the Kingdom – The Present or actuality of what the kingdom is.
- Matt 24-25 – Olivet Discourse – The Future or culmination of what the kingdom will be.

Chapter 13 is the first time He teaches in parables.

Parable def:

The word parable means *to throw alongside*.

It is a spiritual truth illustrated by using an analogy of an everyday earthly expression.

Parable is double-edged: Given so only the motivated will understand

Advantage of Parables: Helps w/ memorization and helps to drive us to study deeper.
