## “Testing Proves Value”

### Introduction

Since chapter 12 we've been in the story of Abraham  
Tonight we get the story of Abe offering Isaac  
This will turn out to be one of the greatest Biblical  
Types in the Bible.

### **What is a Biblical Type?**

Typology is a real-life parable, figure or shadow of something much greater that God will later bring to past.

### **How can we know this is a valid use of Scripture?**

Col 2:16-17 – Paul tells us that they were a shadow to teach us of something bigger.

Heb 8:1-5 – They were specifically accurate

Heb 10:1-3 – Doing the shadow reminds of that the real thing is coming

## **What should we learn from Biblical Types?**

The depths of God's character

The nature of mankind

God's plan of redemption
