

## Jeremiah 27-29 – 22 June 2014

Most of us know of the poor job that Lot did at staying close to God while in Sodom. (Expand)

In this message God will tell us of five attitudes to have enabling us to stay close to Him in an ungodly society.

- Chapter 27
  - Vs 1-5 –
    - Vs 5 – I made the earth, I give over rule of it to whom I will.
    - **The 1<sup>st</sup> attitude to have is a willingness to submit to the government.**

      - If we live in Russia and our govt wants to attack Israel, we can't b/c it's against God's Word.
  - Vs 7 – Belshazzar was Nebo's grandson.
  - Vs 8 – Submit to Babylon or I will punish you.

- Vs 9-11 – Don’t listen to Israelite’s who say to rebel, but through submission you get what you want, that is to stay in the land.
- Vs 12-15 – Why? They probably thought they were seeking justice and freedom for the Jews. They made a god of “liberty and justice for all”.
- Vs 16-22 – Not only were the priests saying that it wasn’t going to get worse, but they were saying that it’s going to get better (the vessels are coming back from Babylon).

- **Chapter 28 – Jeremiah drown out by false prophets**

  - Vs 10-11
    - Jeremiah make his confession for the Lord in Chapter 27
    - Then was bombarded with the opposite from many false prophets, unto which he said, I hope you’re right.
    - When things got heated...he left for he already made his point and told the people how they will know who the true prophet is.

- Vs 12-17 – God gave Jeremiah a specific prophecy to tell Hananiah that he would die b/c of “teaching rebellion against the Lord”.

○ Vs 15-19

- All this judgment b/c they choose to stay in Judah rather than go as God said.

In the end Lot lost all that he lusted after, power and position. God in His grace shows us the way to all things eternal, character and relationships.
