## “The Grace To Move Beyond Rebellion”

### Introduction

Moses has come up to top of Mt Sinai for 40 days. God will give him & Israel 2 things:

1. The Law – We’ve seen this in chapter 19-24
2. The Tabernacle – in chapter 25-31

The Law – how to represent God to the world

The Tabernacle – God representing Himself to Israel

When there’s misrepresentation of God, it’s rebellion

When we rebel against our very purpose, there are real practical effects in this life.

But there are also real practical cures for rebellion

Chap 32 – Israel just rebelled against God by ascribing God’s glory & wonder to a golden calf.

Moses interceded on behalf of the people, as Jesus. There is repentance & atonement

But the people will still deal w/ real life effects.

**Today, we’ll see 2 practical effects but also 2 cures for rebellion**

# **1<sup>st</sup> Practical Effect of Rebellion – Separation From God (Chap 33)**

3. They've put themselves at a spiritual distance.
4. There becomes this separation.

  - b. Still getting God's promises but w/o Him.

1. It's good for Israel to be saddened for a while.
2. It's good that they see this as a step backward
3. What good is the land w/o God?
  - a. What good is the blessing w/o the Blessor?
  - b. What good is a diamond engagement ring, when the answer is no?

## Read Chap 33:7-11

1. Moses still went to meet God, b/c Tabernacle was more than ritual, it was intimacy/fellowship
2. Notice vs 9 “the people rose up & worshipped”
  - a. There is repentance & mourning.
3. Paul says in Rom 11:11 that Gentile salvation should provoke the Jews to jealousy.
  - a. This is what Moses is doing simply by living a life of fellowship with God.
4. No one should want to be in this place, but if you are, recognize the separation for what it is.
  - a. Lonely, empty, purposelessness

33:12-23 – *Moses intercedes for the Lord's presence*

## Read Chap 33:12-17

1. God has grace b/c of Moses' intercession
2. Vs 15—No blessing matters if You're not w/ us
3. Vs 16 – The sign we're Christians? God w/ us!
  - a. Rahab knew it (Read Jos 2:9-10a)
  - b. Do they know your story of what God did?

## Read Chap 33:18-20

1. What a contrast, while Israel mourned separation, Moses enjoyed some of the deepest fellowship a man could receive!
  - a. God is not wronging Israel; He's being gracious to Moses!
2. "No one can see God and live"
  - a. This is to see the eternal God unveiled
  - b. Jesus was fully God but veiled in flesh
    - i. He disrobed of omnipresence, etc.
    - ii. Jesus body was veil into the Holy of Holies
    - iii. Also see John 1:1-2, 14, 18

## **2<sup>nd</sup> Practical Effect of Rebellion – Scars of Remembrance (Chap 34:1-8)**

### **1<sup>st</sup> Practical Cure for Rebellion – Collaboration With God (Chap 34:9-17)**

Read Chap 34:9-11

1. So here the Lord has re-confirmed His covenant with all Israel!
2. He will do the work of driving out the Canaanite nations in the Promised Land.
3. Israel 's only part in defeating the nation in the first place is to believe that God will do it!
  - a. Then Israel has a role to play, as God will allow them to collaborate with Him
  - b. Just as Jesus defeated sin on the cross, then we have a role to play.

## Read Chap 34:12-17

1. There's active component for us, to keep sin away.
  - a. God has broken the power of sin on cross, but we need to actively destroy it out of our life
2. Making a covenant w/ idol-worshippers can't help in any way.
3. Israel will later be tricked into making a covenant with the Gibeonites, near Jerusalem.
  - a. Powerful city, that was shaking b4 Jehovah
  - b. Oh the scars Israel would receive from this covenant of sin with idol—worshippers.

  - b. These relationships will result in full marriage relationships that will take your heart!
5. Be proactive regarding sin
  - a. God has *broken their power*
  - b. Now we need to go *break their presence!*  
(*Idols & reminders of sin*)
