

Acts 17:1-21 – 30 August 2020

“A Lifestyle of Sharing the Gospel”

Introduction

- *Paul has chosen Silas to return to the places Paul's already been to on his 1st trip, to strengthen them
 - *But then on this 2nd Missionary Trip Paul / Silas / Timothy are led of the Lord to continue into Macedonia of Europe (what is Greece today)
 - *In chapter 17 they'll visit Thessalonica, Berea and then Athens...and we'll see a pattern emerge regarding who they evangelize for Christ
 - *This world is headed in the wrong direction, and we need to turn it upside down for Christ
- Today we see 5 principles for effectively living a lifestyle of sharing the Gospel**

Since we have 3 cities these principles will repeat & we won't necessarily get them in order.

Their time in Thessalonica (Chap 17:1-10a)

Read Vs 1-3

1. **This is our 2nd principle – Reason from the Bible everywhere about the resurrection of Christ**
2. Paul reasons from the scriptures that Christ must suffer & rise again before being King
 - a. The Jews have always expected a king
 - b. He wants them to understand that this Messiah that they've been waiting for is supposed to suffer first THEN come as King.
 - c. *“He was wounded for our transgressions.”*
3. Notice he's reasoning with them from what they say they already believe, that is the O.T.
 - a. Later Paul starts w/ Athenians speaking of the Unknown god, b/c they had a statue to him.
 - b. Some say they don't believe in a god at all.
 - i. If there's a painting, there's a painter.
 - ii. Press thru and go forward anyway b/c knowledge of God is written on the heart.

Read Vs 4-5

1. **This is our 3rd principle – You’re willing to be rejected as you cause division**
2. Read Matt 10:34 – “*Think not that I’ve come*”
3. In winning souls for the Lord, you will naturally make some people hate you.
 - a. Are you willing?
 - b. Is Jesus worth it to you?
4. A mob forms at Jason the Christian’s house

Read Vs 6

1. You don’t need a mob or violence to turn the world upside down, you need the powerful message of salvation thru the resurrected Christ!!
2. Read II Cor 10:3-4
 - a. Our weapons are putting on a spiritual mind in order to think right & help others to think right!!

Read Vs 7-10a

1. Although motivated by their own envy (vs 5), they brought up Jesus as a rival king.
 - a. The enemies of Christ aren't often dumb.
 - b. They know how to bring up your faith in a way to get you in the most trouble.
2. They took bond money from Jason assuring “he” wouldn’t cause any future riots.
3. **This is our 4th principle – Leave the rioting mobs alone**
 - a. Notice Paul & the team head out of town.
 - b. Once the mob mentality starts, there’s nothing you can do at that time but leave.
 - c. Paul isn’t abandoning Jason & the other believers, he’ll write to them twice & return
 - i. Act 20:4 says – Aristarchus & Secundus of Thessalonica come w/ Paul when he returns
 - d. Christians reason w/ people making it a reasonable faith; you can’t reason with a mob.

Their time in Berea (Chap 17:10b-15)

Read Vs 10b-11

- 1. Again, this raises our 2nd principle – Reason from the Bible everywhere about the resurrection of Christ**
- 2. Paul was glad that they were double-checking what he had to say.**
 - a. Their authority was the Word of God and not the word of man.**
 - b. One of the greatest crimes possible is when the word of man tries to masquerade as the Word of God.**
 - i. “God told me last night you need to provide me with a Cadillac.”**
- 3. Paul wasn’t offended w/ the double-checking.**
 - a. Our goal is to get folks into the Word which brings them to Christ.**
- 4. “Searched Scriptures Daily” - Yes synagogue on Saturday, but they’re believers every day.**

Read Vs 12

1. This is our 5th principle – Continue to guide those who want more

- a. Also in Thessalonica (vs 4) - They consorted together & grew in the Word
- b. They would stay as long as they could, like in Antioch (Acts 11:26) they stayed whole year

Read Vs 13-15

2. Again, this raises our 4th principle – You leave the rioting mobs alone

- a. Although Silas & Timothy stayed behind for a time, they sent lightning rod Paul away.
- b. Interesting that it's the unbelievers from the last city, Thessalonica, that are stirring the pot.
 - i. The enemy is on an active attack. How much more should the Christian be stirred to go on an active attack
 - 1. That of proactively offering the Gospel to everyone we can.

Their time in Athens (Chap 17:16-21)

Read Vs 16

1. **This is our 1st principle – Be stirred in your spirit w/ compassion for the lost**
 - a. Think of their lost condition, just like when you were lost
 - b. Think of the terrible fate that awaits them w/o the life-changing Gospel.
2. Also Paul was stirred b/c of their idolatry
 - a. Part is a righteous anger b/c they're taking God's glory and ascribing it to earthly things
 - b. Part is a sadness that they think the eternal, powerful God can be seen thru earthly images.

Read Vs 17

1. **Again, this raises our 2nd principle – Reason from the Bible everywhere about the resurrection of Christ**
2. Notice Paul goes to Jews & Gentiles.
3. GO WHERE THE PEOPLE ARE

Read Vs 18

1. **Again, this is our 3rd principle – You’re willing to be rejected as you cause division**
2. What are you willing to raise on conversation that will cause a division?
 - a. For some...it's everything – that's just needless offence.
 - b. For some...it's nothing – that's loving the praise of men more than the praise of God
 - c. For Christians...it's the resurrection of Christ unto the salvation of damned souls!
3. Are you able to start a conversation when you know there's a good chance you're be rejected?

Read Vs 19-21

1. **Again, this is our 5th principle – Continue to guide those who want more**
2. Often this means new believers, but as here, we often need to continue to help skeptics.
3. Many will yet turn to Christ for salvation!

Conclusion
