Brain Damage Soaring Among Covid mRNA [Vaxxed](#)

Attorney Dr. Reiner Fuellmich interviewed Prof. Dr. Sucharit Bhakdi, Prof. Dr. Karina Reiss, Dr. Naomi Wolf, and Dr. Peter R. Breggin about various matters concerning COVID jabs, including what they are really for, what they are doing to people and what future vaccines will look like based on the emerging mRNA (or modRNA, according to some) technological framework.

WEF Calls for 'Useless Humans' to Be Eliminated

The World Economic Forum (WEF) is calling for solutions to the “problem” of the general public being overrun with “redundant” and “useless humans” as the global elite prepares for society to be “dominated” by artificial intelligence (AI).

“One possibility is this creation of a new massive class of useless people,” he said.

“Another possibility is the division of humankind into different biological castes, with the rich being upgraded into virtual gods, and the poor being degraded to this level of useless people.”

According to Harari, these “useless humans” will be a massive burden for the global elite and must be dealt with before they become a “danger.”

Dr. John Lennox, a renowned Oxford Mathematician and author of '2084: Artificial Intelligence and the Future of Humanity,' said Harari concerned him because of his widespread influence.

“He really is an influencer ... What he actually has to say concerns me more because of its inaccuracy and his reading of history seems, to me, to be very strange,” Dr. Lennox said.

So why this?

Scrutinize everything you see in government / news media / movies & television.

- There's informational compartmentalization
- The level of service has greatly declined

We left off discussing big-pic of habit elimination/formation, involves a 'mind set'

- The SETTING of the mind is truly a switch
- The results of that is a process, as the soul has to be re-shaped
- This is called sanctification and it is a lifelong process
- don't beat yourself to death over an issue you're working through

So is this simply a switch, in real life? We just set our minds on the Spirit and laissez-faire?

(1Cor6:9 slide) Ideally, yes but in real life we struggle, don't we.

1 Cor 6: 9 Or do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived; neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor homosexuals, 10 nor thieves, nor the covetous, nor drunkards, nor revilers, nor swindlers, will inherit the kingdom of God. 11 Such were some of you; but you were washed, but you were **sanctified**, but you were justified in the name of the Lord Jesus Christ and in the Spirit of our God.

- Paul persecuted the Christians heartily.
- Then he had his Damascus experience, and got radically saved
- **Then he taught others how to be fully sanctified just like he was? Because sanctification is a 1-time event?**

discuss

No! Clearly the Corinthian church was messed up because he lobs several warnings and a major correction at them.

- Tense = aorist = at definite point in time in past = at time of salvation
- Reference = positionally; you're washed already, you're made holy already, you have new life in the inner man.
- Though the outward man decays the inner being renewed day by day
- John MacArthur puts it like this: **Sanctification includes all aspects of the life of a believer. It is a synonym for salvation, the critical work of the Holy Spirit at conversion whereby we are set apart--born of the Spirit. Once that has taken place, the Holy Spirit continues to work in us to make us more holy. That is the process of sanctification, and it continues throughout our lives.**

**The** same idea of positional attributes being ascribed to us is found:

Ephesians 2:6 (He) made us alive together with Christ (by grace you have been saved), 6 and raised us up with Him, and seated us with Him in the heavenly places in Christ Jesus

**If you are seated with Christ in the Heavenly places, how is it that I can see you sitting here in a church chair right in front of me??**

In fact Paul is in a heck of an ordeal.

Romans 7: 14 For we know that the Law is spiritual, but I am of flesh, sold into bondage to sin. 15 For what I am doing, I do not understand; for I am not practicing what I would like to do, but I am doing the very thing I hate.

sanctification is not a 1 time event; it's a process (and a whole other study -[sanctification](#))

Meanwhile, habits are what we do with stimuli.

Growing in Christ is learning to respond and ceasing to react.

Responses are calculated, reactions are reptilian

**Take** (Jolly green giant slide) this for example:

Jolly Green Giant is evil, will lead you astray and like Solomon's thousand women, (1King 11:4 turned his heart after other gods, and his heart was not fully devoted to the LORD his God, as the heart of David his father had been)

Therefore: Don't look at the jolly green giant

Metaphorically:

Don't get mad at someone

Don't look at the sexually attractive person

Don't think about how to get rich

Don't crave things other people have that you don't

Colossians 2 discusses our positional placement in Christ

- We're made complete
- In Him circumcised w/out hands,

- Buried w/ Him in baptism
- Raised with Him thru faith
- Made alive together with Him etc.

Then he says

Col 2: 20 If you have died with Christ [y]to the elementary principles of the world, why, as if you were living in the world, do you submit yourself to decrees, such as, 21“Do not handle, do not taste, do not touch!” 22(which all refer to things destined to perish [z]with use)—in accordance with the commandments and teachings of man? 23These are matters which do have the [aa]appearance of wisdom in [ab]self-made religion and humility and severe treatment of the body, but are of no value against fleshly indulgence.

Anyone remember the movie, “My Fair Lady”?

a young flower girl with a cockney / low working class accent is trained to speak & act properly so she can pass as a lady.

<https://www.youtube.com/watch?v=22skcR1XD54>

You can take the girl out of the street but you can't take the street out of the girl.

This is the idea behind Colossians 2:20. All the tutelage in the world doesn't fix the insides

- Someone sold out for Jesus can peacefully coexist with lines of coke, pot, etc all around him/her
- Someone sold out to the flesh could likewise be tied to a rubber bed 40 floors below grade but still have the sinful desires in there

**What *does* fix the inside then?**

Phil 4: 6 Do not [e]be anxious about anything, but in everything by prayer and pleading with thanksgiving let your requests be made known to God. 7And the peace of God, which surpasses all [f]comprehension, will guard your hearts and minds in Christ Jesus.

- here we have a promise that we get to experience the peace of God, which is even more powerful than our understanding (meaning we're still in the fire, but we feel great about it now!!)
- This is an awesome gift!

But don't stop there!

8Finally, brothers and sisters, whatever is true, whatever is honorable, whatever is right, whatever is pure, whatever is [g]lovely, whatever is commendable, if there is any excellence and if anything worthy of praise, think about these things.

9As for the things you have learned and received and heard and seen in me, practice these things, and the God of peace will be with you.

If you give yourself over to living / doing what you see me do, you get to experience the God OF the peace.

- The first one gets the peace that comes from God
- The 2<sup>nd</sup> one gets to experience God Himself, from where the peace flows

Last part of this series is a powerful truth in the form of a series word study.

- It's context is when evil people are ruining your life, BUT
- the principles you see in this will rescue you from ALL your enemies: without and within WHILE God fixes the situation
