Anyone want to discuss data centers? (let them discuss)

Understand this is a complex, complicated issue.

Roy Singham?

https://en.wikipedia.org/wiki/Neville_Roy_Singham

- He is the founder and former chairman of Thoughtworks, an IT consulting company that provides custom software, software tools, and consulting services, which he sold to a private equity firm for \$785 million in 2017.
- Singham, a socialist, is a benefactor of far-left causes, and an admirer of Maoism.
- To avoid taxes on the sale, set up tons of non-profits, all extreme left.
- Wife Jodie Evans (arranged marriage) founded Code Pink, far left organization
 - LGBTQ+ rights
 - Transgender rights
 - Feminist causes
 - Racial justice initiatives
 - Immigration rights
 - Various social justice movements
- They are communists
- According to The New York Times, he has provided significant funding for media outlets, organizations, and politicians around the world that promote pro-Chinese government propaganda.[5]
 - >2000 media groups funding

Singham network –

Operates via non-profits on U.S. soil.

Funding behind LA riots – establish chaos (bricks on pallets etc.) not just Soros.

Backstory – Obama admin said banks were discriminatory and ordered they loan to unqualified people.

- Banks gave loans to unqualified people.
- Banks were then investigated, “Occupy Wall St” – all orchestrated, Obama & Eric Holder sued the banks e.g. JPMorgan Chase, BofA, Wells Fargo
- Citigroup, owed over \$2B
- Said “We’ll let you off with \$1B if you fund these (left) non profit orgs)
- This is how institutions are overtaken and how left money flows to media for brainwashing

“Three Wars” chinese campaign, we’ll dig into deeper, this is just one of them.

1. Psych war
2. Faux Messages
3. Writing laws in america

They set up handoffs for plausible deniability or they’d be on the hook for foreign agent registration laws

Name: Core Layering Non Transparent Funding

\$217M since 2017 alone, and Neville lives in Shanghai: Most thru Goldman Sachs philanthropy fund

Funds (as discussed), Code Pink and Breakthrough News – FAR LEFT socialist

So they launder the money to get it to influencers & “News Sites” e.g. Breakthru News (1 Psych War)

- send volumes of messages of chaos & fear, get you to feel overwhelmed

The influencers (paid to) send out half truths to get people turned around

- “news” makes twitter, gets shared, amplifies where 1 ‘story’ → >2M views. Amplificatoin
- You’re powerless but they then Give you a “save the water” message to empower you, so you yell “Save the water” and then

Subsequently , laws are passed which literally come from CCP to our system. (just the obvious ones here)

- Biden family

- Swalwell
- Pelosi

We'll dig deeper later but for now – chip manufacturing, coal, Oil refining, rare earth minerals – gonna kill the planet!!
Let dirty China do it.

We are no longer the head. We are the tail. We have hollowed out our mfg.

Grey Zone Disruption and exploitation – Data Centers, difficult to discern what the REAL issues are ie Squirrels

- Gets hot!
- Use all your power
- Use all your water

Current list of bans/moratoriums on data centers

Note – many left & swing states there

Look at water – the real numbers

Notice we peaked in 1970 and have dropped significantly since then.

A ranking of water users

(1-5)

- Pharma is 14M gal/day, Merck, J&J
- Data Centers ~ approved for 5M, poultry plants USE that much!
- 360 chicken plants using 5M gal/day

EMF is another one- bogus. it's in inches and you have to be right at the CPU.

We can talk about this further, but the main point is this is MUCH more complicated than "Data Center Bad".

Not saying it's good, it's likely not.

EZRA 6

So God tells them in Hag1 to rebuild. Cyrus told them to rebuild. Then rabble rousers (tattenai and Shethar-bozenai) started with their meddling... Asked Darius to check and see if this were true, tried shutting them down.

Darius first thing does a search and guess what, he did find cyrus' record.

Ezr 6:2 In Ecbatana in the fortress, which is in the province of Media, a scroll was found and there was written in it as follows: "Memorandum—

3: "In the first year of Cyrus the king, Cyrus the king issued a decree: Concerning the house of God at Jerusalem, let the house be rebuilt, the place where sacrifices were offered, and let its foundations be retained. Its height shall be sixty cubits and its breadth sixty cubits, with three layers of great stones and one layer of timber. Let the cost be paid from the royal treasury."

Furthermore, the order said :**4** And let the cost be paid from the royal treasury.

So Darius figures this out and then says to the rabble rousers: Tattenai the provincial Persian governor who didn't want to deal with the Jews, and Shethar bozenai a lesser known subordinate

Ezr 6:6 "Now *therefore*, Tattenai, governor of *the province* beyond the River, Shethar-bozenai and your colleagues, the officials of *the provinces* beyond the River, keep away from there. **7** "Leave this work on the house of God alone; let the governor of the Jews and the elders of the Jews rebuild this house of God on its site.

Darius ordered Tattenai, Shethar-bozenai, and all their associates to stay away from the Jews. They were not to interfere with the rebuilding.

And he isn't done. These guys really got on his nerves. This is God clearing the path for His work.

Same as He will do for each of us who follow His lead. e.g. Radical Life

Ezr 6:8 "Moreover, I issue a decree concerning what you are to do for these elders of Judah in the rebuilding of this house of God: the full cost is to be paid to these people from the royal treasury out of the taxes of *the provinces* beyond the River, and that without delay.

Leave them alone and pay for it yourself.

(Oops, this really puts a dent in our ability to pilfer out of the taxes!)

No, we aren't done yet.

Give them everything needed from livestock to materials – WITHOUT FAIL

Nope, not yet...

Ezr 6:11 "And I issued a decree that any man who violates this edict, a timber shall be drawn from his house and he shall be impaled on it and his house shall be made a refuse heap on account of this. **12** "May the God who has caused His name to dwell there overthrow any king or people who attempts to change *it*, so as to destroy this house of God in Jerusalem. I, Darius, have issued *this* decree, let *it* be carried out with all diligence!"

Refuse Heap! – dang! I hope that 's not my neighbor!

The way was paved and they completed the temple.

For us?

The Jews had a decree from the king and a command from God to build.

In completing that order, they encountered all kinds of delays, fears, enemies, and roadblocks.

Do we have a decree?

Is it easy?

What do you do when you encounter a roadblock?

You struggle. "We wrestle", that's a fact.

- **Eph 6:12** For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high *places*.
- **Jas 4:7** Submit therefore to God. Resist the devil and he will flee from you.

The prophets reminded the people after the "stop work" order i.e. "did God tell you to stop building?"

The people submitted themselves to God

Doubtless the heckling continued but they resisted AFTER submission to God

And the enemy not only fled, but helped them.

Prov 13:22b the wealth of the sinner is stored up for the righteous.

Amen!
