A few random topics.

<https://www.boston.com/news/politics/2023/02/01/massachusetts-bill-prison-time-bone-marrow-organ-donations/> US inmates could soon be trading their organs for freedom

- 60 days to 1 year off sentence
- Collection centers have doubled since 2005
- blood now makes up well over 2% of total US exports by value
- Americans' blood is now worth more than all exported corn or soy products that cover vast areas of the country's heartland," he said.

A [1992](#) book, "The Conspirators Hierarchy, the Committee of 300," written by ex-CIA agent John Coleman

- WEF founded in 1971, led by the Bilderberg Group and Western intelligence agencies, would steer the world towards a dystopian future, in which 4 billion "useless eaters" would be eliminated by 2050 through limited wars, organized epidemics, and starvation.
- Other predictions from the book include the promotion of compulsory pornography in schools, the destruction of industry and nuclear energy, the control of agriculture and food production by the committee of 300, and a push for green energy that cannot sustain current energy demands

The [World Economic Forum](#) has announced it has recruited hundreds of thousands of "information warriors" to control the internet, policing social media and forums for "misinformation" and conspiracy content which will then be systematically shut down.

- The astute will see this and rule-of-thumb believe OPPOSITE everything the establishment says
- The naïve will oppose any statement or production of data that opposes the official narrative
- Normalcy Bias is the equivalent of trying to get a teenager out of bed before 8:00 am on a Saturday

[Ryan cole](#) – 20x increase in cancers since vaccines rolled out

Explains another mechanism besides HIV

"All that blue — those are cancer cells. What's inside of every cancer cell? Spike protein. Every B-cell there that's malignant has spike protein in it.

[Thailand](#) – Princess took the vaccine, went into a coma

- They said she's in a coma b/c bacterial infection
- Remember Sukharit Bhakdi? Finally gave him audience with Royal Family
- Shows how the covid vaccine is a bioweapon killing millions of people around the world & why she's in a coma
- The plan at this point (subject to political pressures) is to nullify Pfizer's contract as null & void

Thoughts on CBDC

- In 1933 the government recalled gold, said the dollar is just as good.
- A year later they revalued gold from \$20 to \$35, separating the dollar from gold
- (now your \$20 bill is worth 57% of a \$20 GOLD piece.
- Now (1934) it takes 1.75 of those \$20 bills to buy 1oz gold.
- CBDCs are coming but they will not be accepted because we still have a currency which is why it must collapse.
- All USD in the bank which will be hyperinflated, will roll into the new CBDC at a fraction of today's buying power
- Remember, what you deposit is not yours. Ensure we understand this.

## Compassion (pontoon)

Last week we began our understanding with homosexuality / any other sin by splitting this into 2 pontoons:

- 1) man desires to interact with one another / the world around him
- 2) God's righteousness in man – the other pontoon.

Sink #2 and how will the rest of the boat behave?

We run into ungodly man/woman doing something we think is awful but we don't judge them, We say, "That's an ungodly man acting like an ungodly man".

Illustration: Story of the pig farmer who wanted to take part in the sheep show.

We left off at the point that sin deceives.

- **Hebrews 3** sin hardens you
- Eph 4 you corrupt yourself when you let lust reign. It deceives you.

Question was

The old self – being corrupted in accordance with the lust of deceit? How does this work?  
How does e.g. a married man leave his wife for another man?

Do you just go from being solid to totally blowing it all of a sudden?

Albert Barnes

Sin is always deceitful. It promises more than it performs. It assures us of pleasure which it never imparts. It leads us on beyond what was supposed when we began to indulge in it. The man who commits sin is always under a delusion; and sin, if he indulges it, will lead him on from one step to another, until the heart becomes entirely hardened. Sin puts on plausible appearances and pretences; it assumes the name of virtue; it offers excuses and palliations, until the victim is snared; and then, spell-bound, he is hurried on to every excess. If sin was always seen in its true aspect when man is tempted to commit it, it would be so hateful that he would flee from it with the utmost abhorrence.

Examples for how sin is deceitful?

Sin promises reward.

- Tying one on (booze) promises what?
  - It delivers what?
  - Divorce, wrecked career, broken relationships, trashed liver
- A sexual experience outside of marriage promises what?
  - It delivers what?
  - violated trust, destroyed name, STD, (Don / AIDS)
- A sure-thing white collar crime stealing
  - What did it do for those guys?
  - [Nightmares](#) – 18s mark

Other examples?

So we see that Sin Deceives!

**I'm glad I'm not a murderer, aren't you?** Ever thought what you would do to a guy who kidnapped & raped a loved one?

**I'm glad I'm not an adulterer, aren't you?** Ever had a sexual thought about another person NOT your spouse?

**I'm glad I'm not a drug addict, aren't you?** Sugar is 8x more addictive than cocaine.

### **SIN BEGINS/HAPPENS IN THE MIND**

PT mentioned Matthew 5-6-7 a few times in the last few weeks. How does this apply to our conversation?

Matthew 5: 21 "You have heard that the ancients were told, 'YOU SHALL NOT COMMIT MURDER' and 'Whoever commits murder shall be liable to the court.' 22 "But I say to you that everyone who is angry with his brother shall be guilty before the court; and whoever says to his brother, 'You good-for-nothing,' shall be guilty before the supreme court; and whoever says, 'You fool,' shall be guilty enough to go into the fiery hell.

27 "You have heard that it was said, 'YOU SHALL NOT COMMIT ADULTERY'; 28 but I say to you that everyone who looks at a woman with lust for her has already committed adultery with her in his heart.

**So if I sin in my heart, what's the big deal? Its not the *real* sin, it's not acting out or anything.** (I've heard this before) "So what??"

The redneck gawks at a revealing outfit, a buddy says, "You're married, fellow."

"It don't hurt ta look" he says.
