Welcome / Prayer

Would like to pull on a thread and bring it to its conclusion for the Christ follower

Anyone see/follow the hearings with Les Wexner?

Les Wexner, one of Jeffrey Epstein's closest known associates and top benefactors, was deposed Wednesday by the House Oversight Committee.

Rep Thomas Massie says he had been officially named as an Epstein co-conspirator

Why him? Who is he?

Remember WEF's Young Global Leaders program where Klaus brags they're leading several countries like

- Trudeau (canada)
- Jacinda Ardern – New Zealand: Hardline covid lockdowns & forced vaxxes
- Pete Buttigeg – homosexual transportation sec : Airline armageddon, East Palestine Ohio
- Wexner created this networking platform that was absorbed into WEF → Young Global Leaders program

Mentoring and empowering the worlds finest pedophile / trafficking ring who dual as global leaders. The entire system is corrupted.

And this trafficking?

Calling this prostitution would be like calling nuclear war an armed conflict.

Who comes to steal, kill, and destroy?

Finally,
