Welcome

[Dutch](#) N.I.H. - In the first quarter of 2023, there was a 24% increase in GP visits related to memory and concentration problems among adults (age 25 years and older) compared to the same period in 2020. This is evidenced by the latest quarterly research update from the GOR Network. The increase in memory and concentration problems of adults seems to be a longer-term effect of the coronavirus measures as well as SARS-CoV-2 infections

So it must be the 'rona doing it.

**BREAKING:** 92% of COVID deaths were among the triple vaccinated in 2022, according to government data.

The UK government has released official figures which shows that the fully vaccinated population accounted for 92% of COVID-19 deaths throughout the entirety of 2022, and 9 in every 10 Covid-19 deaths in England over the past two years.

From the European Union Commission

The World Health Organization will take up the EU system of digital COVID-19 certification to establish a global system that will help facilitate global mobility and protect citizens across the world from on-going and future health threats.

POINT – why do I keep banging on their medicines and the covid vaccine?

- The needle is the pathway to depopulation and subjugation of the population
- The vaccine will be the tool used to enslave humanity

BECAUSE Covid was a test run.

- They know they can control us through fear
- They have a host of pandemics planned out for us to further subjugate us to the GA guidestones limit of 500M

Nonparticipating businesses in the food production sectors "will simply not participate" in the ESG economy.

[Under](#) California's AB957, a parent could lose custody for not "affirming" whatever their child believes about their gender. Here, the bill author defends this bill, using an example of a 7-year-old who announces their gender doesn't match their sex.

**1Pe 1:23** for you have been born again not of seed which is perishable but imperishable, *that is*, through the living and enduring word of God.

Imperishable, enduring. **What's the 'FOR' there for?**

**1Pe 1:22** Since you have in obedience to the truth purified your souls for a sincere love of the brethren, fervently love one another from the heart,

Remember Heb 4:12 Living & Active – context = many won't enter His rest because of disobedience.

24 For, "ALL FLESH IS LIKE GRASS, AND ALL ITS GLORY LIKE THE FLOWER OF GRASS. THE GRASS WITHERS, AND THE FLOWER FALLS OFF, <sup>25</sup> BUT THE WORD OF THE LORD ENDURES FOREVER." And this is the word which was preached to you.

^^^^^^^^^^^^^^^^^^^^^^^^^^^^^^^^^^^^

**Isa 40:8** The grass withers, the flower fades, But the word of our God stands forever.

What is "the Word of our God"?

It is TRUTH Jn17 Thy Word Is Truth.

**Psalm 119:89-91 (NASB)** Forever, O LORD, Your word is settled in heaven. <sup>90</sup> Your faithfulness *continues* throughout all generations; You established the earth, and it stands.

It is settled; not subject to change by any force

What God had ordained as law would always remain law; what he had affirmed would always remain true; what he had promised would be sure forever.

It is stable, unchanging,

Are there ANY changes in our world you find alarming?

Some are happening before our eyes, some are generational (take too long) and we don't see it

- Technology
- Tech in the hands of evil men
  - Remember how I showed you nanotechnology: self-assembling routers and antennae under 5G EMF
  - This is done inside people's cardiovascular systems who exposed themselves to the Technocratic medical experiments
- Gender is no longer something you were born with
- Marriage does not mean between man and woman
- a baby in a mother's womb isn't a human being
- the USD you have in your pocket is "money"
- Carbon Dioxide is a poison

Story: Mancow Mueller – talkshow host interviewed Rumsfeld on 911, needed a hallmark movie LOL!  
The hallmark movie is a mental stiff drink; It's a refuge

Example: Someone time-ports from 1947 to today, meets Ray, gets to know Ray, then says "feelin' gay today Ray?"

Perfectly acceptable 80y ago

You need to know you can't say that now. That language has died. A new has come in.

War on language today – beginning with Political Correctness

- Social Engineering with a Marxist foundation and end
- Ultimate goal is to make independent thought illegal, make the State God
- Enslave you to the State's way of thinking
- Currently see ESG getting ready to hammer us in the U.S.
- Social Credit Score in China doing that now.

Then like Soviet Union that gets overthrown and is no longer valid – that system dies.  
It cycles every 80 y (The Fourth Turning)

God's Word never dies, ageless, same year to year  
You want stability? Enter the refuge of His Word.
