In the Declaration of Independence they gave no less than 27 Grievances against the King! Here are just four

Grievance 10: He has erected a multitude of New Offices, and sent hither swarms of Officers to harass our people, and eat out their substance.

See anything like this today? [87,000](#) IRS agents

Grievance 26: He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands.

What did this lead to? 2nd amendment

- every other country that subjugated its people first disarmed them. Duhh!!
- Democrat vs Republican is a 2-party path to communism. The ruling elite want to disarm us.

Grievance 9: “He has made Judges dependent on his Will alone for the tenure of their offices, and the amount and payment of their salaries.”

Judges got paid by King George III. Is this a problem? (yes, a big stinking problem), “But isn’t this conspiratorial?”

Response –

We have Federal judges, State judges. Senate confirms supreme court justices. Congress can require smaller judges to be confirmed by Senate. State constitutional laws govern state judges.

But God said that government is given by Him so why did they restructure what King George had? Was King George’s approach to judgeship biblical?

[LOADS](#) of Scripture on this

[Deut 16:19](#) "You shall not distort justice; you shall not be partial, and you shall not take a bribe, for a bribe blinds the eyes of the wise and perverts the words of the righteous.

Why would God say this? Because men are crooked and God had to spell it out publicly

Are you beginning to see that God says one thing while men say something else?

Great structure we have in place. Are there ways around getting judges to pervert justice?
(Refer to Lynn Wood's affidavit, 1 ½ yrs ago discussed this)

Grievance 15: "For protecting them, by a mock Trial from punishment for any Murders which they should commit on the Inhabitants of these States:"

Explanation: In 1768, two citizens of Annapolis, in Maryland, died in a violent dispute with a group of British soldiers. The trial was controversial. In the face of overwhelming evidence against the soldiers, the defendants were acquitted.

Response:

Article III, Section 2 provides: "The trial of all crimes shall be by jury and such trial shall be held in the state where the said crimes have been committed."

The 6th Amendment of the Bill of Rights says: "In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial by an impartial jury of the state where the said crimes shall have been committed."

So the Founders declared their independence from the tyranny of King George III, drafted on the night of July 4, 1776

Do you think the Declaration of Independence is an important document?

Nearly every printed or manuscript edition of the Declaration of Independence has slight differences in punctuation, capitalization, and even wording.

- By contrast, The textual variance on the (roughly 24,000) NT manuscripts is 99.75% accurate where 1 spelling variant over 1,000 copies = 1,000 errors not 1. Ezra Abbott = 19th century greek scholar

Then in 1787 the United States Constitution was drafted.

On top of that, the Bill of Rights which is the 1st 10 amendments were added in 1791.

Did these 3 founding documents come from the Bible? Yes/No/Explain
