Welcome –

for answers to “draw me”

for an understanding of what faith is used for, that we would lose self to gain you

Signs in the Sky

<https://endoftheamericandream.com/the-7-other-planets-in-our-solar-system-will-form-a-line-as-the-path-of-the-great-american-eclipse-of-2024-crosses-america/>

Gen 1 – lights in the sky for signs

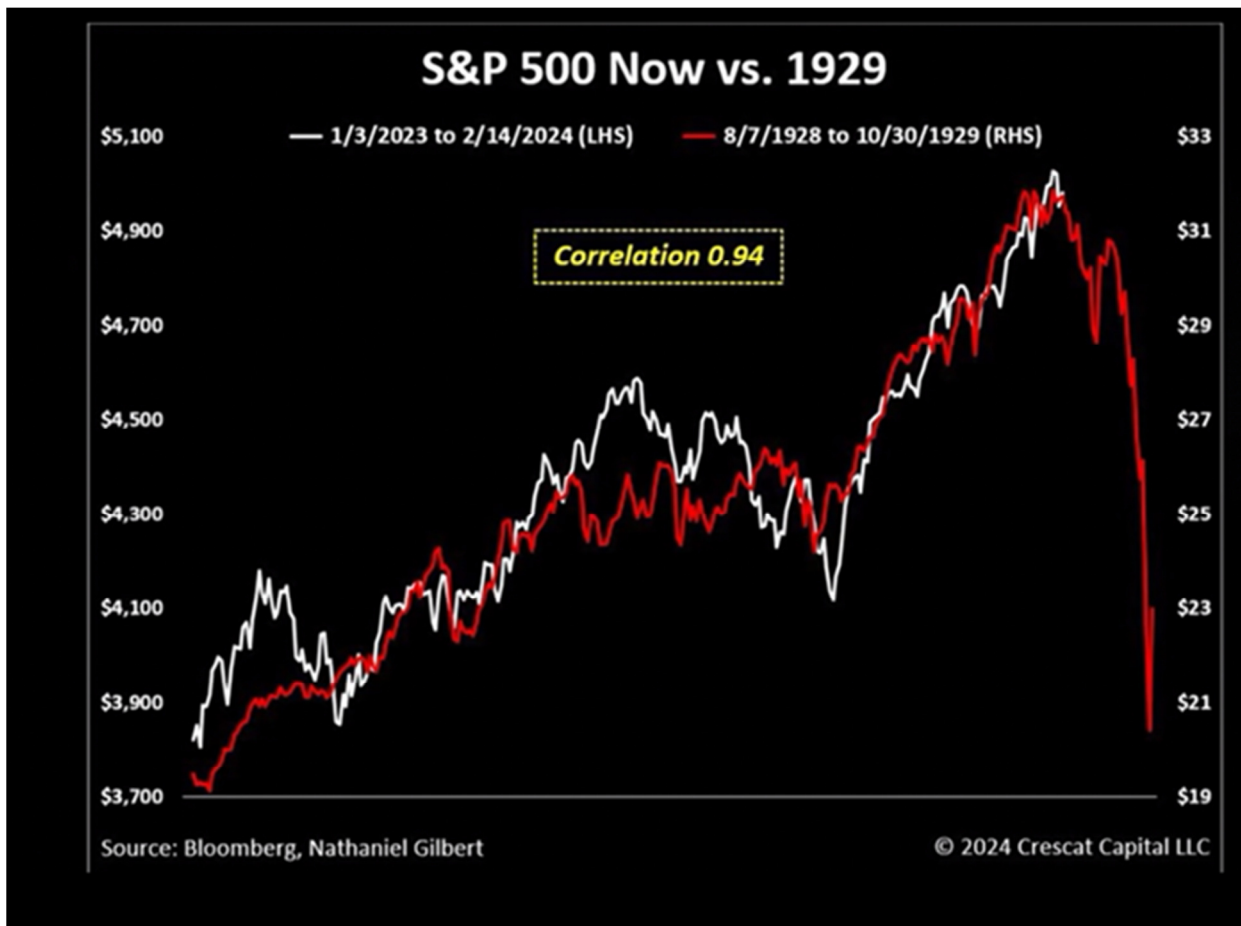

In the last days, Jesus says watch for

[Luke 21: 25](#) "There will be signs in sun and moon and stars, and on the earth dismay among nations, in perplexity at the roaring of the sea and the waves

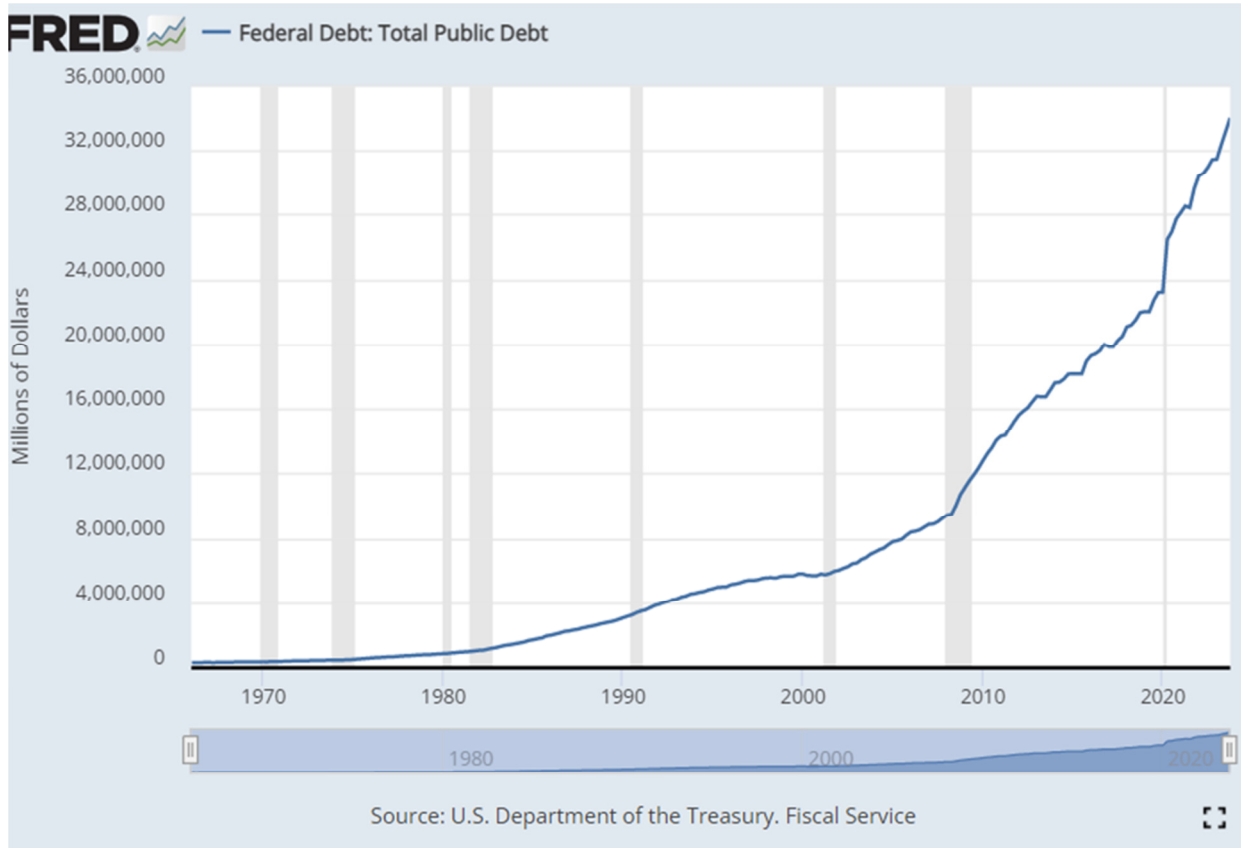

- Lots of planetary alignments around this eclipse on April 8
- Scroll down to the graphic
- ChatGPT says this planetary alignment is 1 / 19million yrs
- When including the sun & moon, only 1 / 32 million yrs

**Check** out this 94% correlation of the stock market in 1929 (red) and the stock market today (white)

- just saying

**Check** out our US Federal Public Debt – ask yourself if this looks sustainable.

In 2008 when the banking system collapsed, Hank Paulson warned if we didn't pass the TARP bailout bill over the weekend, there would be martial law the following week.

- We were slated to be in deficit (spend more than we took in taxes that year) by \$850 BILLION dollars!!

Is it still growing 16 years later?

<https://www.cnbc.com/2024/03/01/the-us-national-debt-is-rising-by-1-trillion-about-every-100-days.html>

Yes, only now it's \$1Trillion not every year.... but every 100 days.

- Bank of America investment strategist Michael Hartnett believes the 100-day pattern will remain intact
- "Little wonder 'debt debasement' (hedges against the dollar) trades closing in on all-time highs, i.e. gold \$2077/oz, bitcoin \$67734," he wrote in a note Thursday

NOTE – gold and bitcoin are past that already

I've already been over how they legalized the theft of your

- money – dodd frank
- stocks, bonds, mutual funds, pensions etc. – Uniform Commercial Code
- So (Paulson) won't be a bailout next time, but a bail-in

(paper wealth)

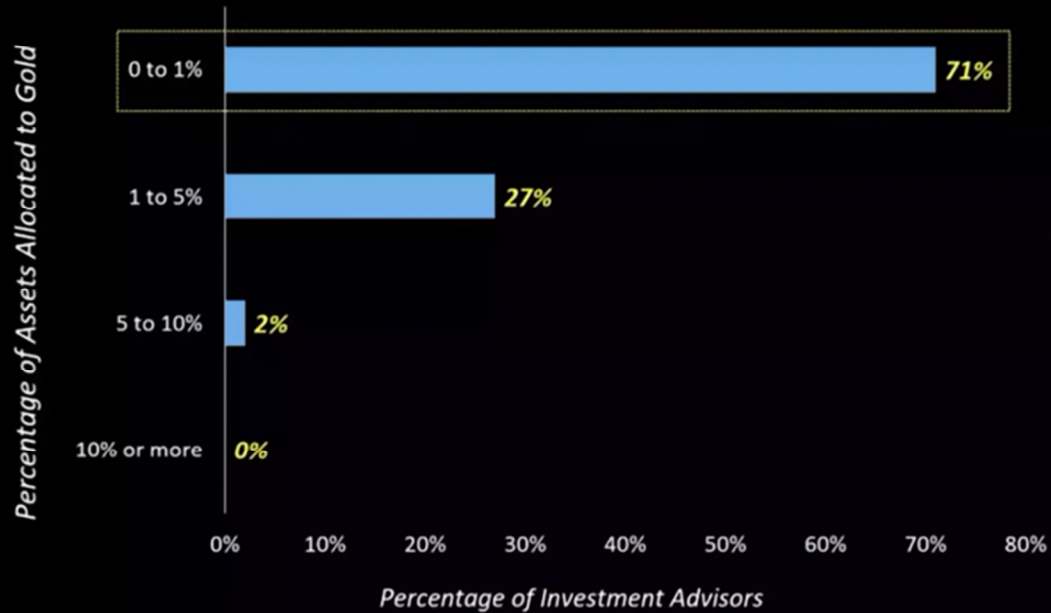

**There's** only one real "money" and that's gold & silver.

Wealth is not paper, it's tangible / intellectual property that produces something

- Bible mentions gold 432 times, silver 320 times
- God made it precious as a means of a store of human labor (wealth)
- Think it's a barbarous relic?
- Then you are right where the lawmakers want you.

Why are central banks buying it up in a frenzy?

## 71% of Advisors Have 0-1% Exposure to Gold

That said, look at what Bank of America says its advisors (people who tell YOU what to do) are doing with gold. about ¾ of them have less than 1% of assets in gold mostly the rest have under 5%

- Thomas Jefferson said, "If the American people ever allow private banks to control the issue of their currency, first by inflation, then by deflation, the banks and corporations that will grow up around (these banks) will deprive the people of all property until their children wake up homeless on the continent their fathers conquered."
- Jamie Dimon (CEO 1/most powerful bank on earth) said in October last year - 'Now may be the most dangerous time the world has seen in decades'

Gee, I wonder why?

Do you see the setup?

1. They convinced you in 1913 that human labor could be represented by a piece of paper
2. Then they made the paper worthless
3. Then they legalized the theft of the paper you own
4. While downplaying the role of 'real money'.

Now we are facing the biggest collapse this country has ever seen. What side will you be on?

Last week we finished with our cast of characters

- Abishag, from Shunem, who was David's nurse, the bride, of whom Mary (Martha's sister) was a type
- Adonijah, the picture of Satan who tried subversion as a means to gain kingdom authority
- The daughters of Jerusalem / Watchmen a type of Martha

- Solomon, the boy who saw Abishag from a distance and fell in love, but became king and disguised himself

and what are some things you learned so far?

We've already learned a lot about getting close to Christ as is illustrated in the characters themselves!

We also read some from Dr. Guynes' out-of-print treasure where he sort of parabalized the Song

Now we turn to the actual book, the song of songs!

**Song 1:4<sup>4</sup> Draw me, we will run after thee**

"Draw Me" is a disclosure of the weakness of our flesh, yet an expression of our desire

Guynes mentioned Mt. Hermon, which was where Jesus was transfigured; Mount of Transfiguration Remember this? Peter, James, John, Jesus – then Jesus transfigures, and Moses & Elijah speak w/ Him? Same place Solomon took his bride-to-be in the Song

Coming down from that very experience we see a commotion surrounding a demon-possessed son

"what's going on", Jesus said

"We got this here demon possessed son and your disciples couldn't cast it out."

Mark 9: 19 And He \*answered them and \*said, "O unbelieving generation, how long shall I be with you? How long shall I put up with you? Bring him to Me!" <sup>20</sup> They brought the boy to Him. When he saw Him, immediately the spirit threw him into a convulsion, and falling to the ground, he *began* rolling around and foaming *at the mouth*. <sup>21</sup> And He asked his father, "How long has this been happening to him?" And he said, "From childhood. <sup>22</sup> "It has often thrown him both into the fire and into the water to destroy him. But if You can do anything, take pity on us and help us!" <sup>23</sup> And Jesus said to him, " 'If You can?' All things are possible to him who believes." <sup>24</sup> Immediately the boy's father cried out and said, "I do believe; help my unbelief."

This is the same expression of our weakness

I did not know the Song of Solomon when God pulled back the curtain so I could see this is real

My "Draw Me" prayer came out like this:

"If you are 'really real', (you're being for-real), then come into my heart and make a difference!"

Then against everything my flesh desired, I started moving my weak spirit toward him by exercising in things of the Kingdom with the goal, the prize being that I get to be close friends with Jesus.

**Why can't we in ourselves just say, "I WILL to be going to be drawn to Christ from now on"?**

- Remember that John 6 Cannibal stuff Jesus was talking about? Even the disciples, thinking in terms of the flesh were weirded out
- John 6: <sup>43</sup> Jesus answered and said to them, "Do not grumble among yourselves. <sup>44</sup> "No one can come to Me unless the Father who sent Me draws him; and I will raise him up on the last day.
  - It's Because nothing good even dwells in us/our flesh, and we are entirely flesh at the beginning of Christ-In-Us
- Gal 5: 17 For the flesh sets its desire against the Spirit, and the Spirit against the flesh; for these are in opposition to one another, so that you may not do the things that you please.
  - Your flesh will fight you every step of the way when God calls you to this deeper place with Him
  - Every Step!

**What happened when Jesus asked Peter to pray w/ Him at Gethsemane just before crucifixion, so intensely He sweat great drops of blood? he kept falling asleep. Spirit willing / flesh weak**

- You don't have the time it will take

- You don't ever stick with anything anyway, don't even start or will be another failure of yours
- You're too busy

"Draw Me" =

- "I want to overcome this awful flesh but I can't".
- It is the humbling of yourself so God can exalt you
- It is the admission of the shameful part so He can forgive & cleanse from unrighteousness (1John1)

2 Cor 3: 5 Not that we are adequate in ourselves to consider anything as coming from ourselves, but our adequacy is from God, 6 who also made us adequate as servants of a new covenant, not of the letter but of the Spirit; for the letter kills, but the Spirit gives life.

(faith books slide)

Consider the faith of the American Church / Western culture

- Teaches you to give to be rich
- Teaches you to think positive to reach your goals
- Teaches you to build power
- Teaches you to assume control over your circumstances
- And how to get bumped up to 1<sup>st</sup> class on an airplane

Now consider the faith of Jesus

*The faith of Jesus was believing that if He would lay down His life, that God would raise Him back up from the dead.*

→ The bible teaches us to use faith to die.

Just about every act of God in the bible was preceded by the death of a promise or dream

- Moses – take 600,000 people away from a world-power nation, to a river where you'll be surrounded and murdered by their military
- Abram – Change your name to "father of nations" in front of everyone, then let the ole bio-clock run out on you and your wife, then add a few decades.
- Mary & Martha – I know your brother is sick, so I'll get there on Day 4 when all hope is lost.
- The disciples uproot EVERYTHING (family business) and go with this Guy thinking their future will be permanently secure (on earth) – then He dies!
- God says, "Do you believe me??"
