Ben Rickert

2019: Coronavirus introduced as the repo market was seizing up.

2026: They are introducing "Hantavirus" (another untrue cover story) to mask the collapsing bond market that is occurring in the shadows.

Here is a readers digest:

So they (badly) stage another outbreak,

<https://x.com/MarioNawfal/status/2052739796871557311>

**Tedros** WHO shills the Hantavirus vaccine

Which was made by Moderna in 2024. Moderna was a ZERO until Covid vax (it's first real product)...

When (Hantavirus) there were somewhere around 30 cases in the US.

Cost to R&D and produce a vax is \$500 million to \$1.5+ billion... for 30 cases...

2026 it "breaks out" in a badly choreographed cruise setting.

**Meanwhile**, 5.3.6 Cumulative Analysis of Post-authorization Adverse Event Reports Hantavirus pulmonary infection from the "COVID Vaccine" shows the previous vax will give you this (it gives you AIDS.)

**We** even have dancing nurses again, FYI.

Now on to the good news.

**William** Makis – doc famous for covid treatment

Shut off the w.h.o., and load up on

- Ivermectin
- Quercetin
- Zinc
- Vitamin D
- Vitamin C

**Dr. Peter** McCullough echoes –

As the WHO downplays ivermectin for hantavirus, the underlying science and preclinical data tell a very different story.

And Dr. Zelenko – of the Zelenko protocol? Remember it??

'There's a category of virus called ssRNA. It includes all the covid strains, all the Flus, RSV, Ebola, Marburg, Hanta and many more. They can all be treated with the same protocol using zinc ionophores (HCQ, Ivermectin, quercetin, EGCG) taken together with supplemental zinc.'

And finally – what do you do when a government organization tries to get you to run, e.g. to the right? you go to the left.

**BREAKING: The World Health Organization is advising everyone not to take Ivermectin to treat hantavirus.**

Review – God told His people to go back and rebuild, through Cyrus some 200 y prior. Regimes changed – a new king not knowing/remembering. Rabble rousing antagonists wrote nastygrams to the king, the king stopped work.

Ten years passed, then the prophets stepped in ([Haggai the prophet and Zechariah](#)) and said what are you waiting for?

Do we ever disobey government? yes, when they come against Scripture.

We pointed to covid, the “mandated” vaccine, and Pamela Ricard, a math teacher at Fort Riley Middle School in Geary County.

Moreover, N.T.

**Ac 5:27** When they had brought them, they stood them before the Council. The high priest questioned them, **28** saying, "We gave you strict orders not to continue teaching in this name, and yet, you have filled Jerusalem with your teaching and intend to bring this man's blood upon us." **29** But Peter and the apostles answered, "We must obey God rather than men.

Is there a possibility that the Government might even make a law that will fly in the face of Christian beliefs?  
Are there any today?

Besides the well known

Abortion

Assisted Suicide

Prostitution legalized

Same sex marriage / gender changing kids

drug legalization laws etc

Broad pornography protections under free speech law

And what about speech?

Restriction on public prayer

What about criticism of Israel’s genocide in Gaza and now turning toward Iran?

In May, 2024 By 320-91 vote, the House on May 1 passed the Antisemitism Awareness Act.

This greatly muddied the waters because the zionists which are as rabid as nazis, and murder the same way as nazis do – with zero care for international war crimes or human life, are NOT orthodox Jews, and are hated by orthodox Jews. Yet they hide behind holocaust Jews as one group and it is not.

It is a step toward not speaking against Israel at all. It is Israel first!

From Politifact:

Rep. Marjorie Taylor Greene, R-Ga., posted on X that the bill’s passage "could convict Christians of antisemitism for believing the Gospel that says Jesus was handed over to Herod to be crucified by the Jews."

When conservative commentator Charlie Kirk asked in an X post whether the bill made "parts of the Bible illegal," former Fox News host Tucker Carlson replied, "Yes. The New Testament."

It isn’t any different then than it is now –

- John 3 – Nicodemus came to Jesus by night. Why? what was he afraid of??
- John 7 – people didn’t want to talk about the Phenomenon; Jesus for fear of the Jews
- John 9 – parents of the man born blind said ‘go ask HIM about it, we don’t know’ and didn’t explain the great miracle for fear of the Jews.
- John 19 Joseph of Arimethaea wanted to ask about Jesus’ body for proper burial but had to do it secretly for fear of the Jews.
- John 20 – day of christ’s resurrection – the disciples were behind closed doors (not public) for fear of the Jews

Just be sure to call balls and strikes. It’s not “all Jews”. Any more than what we are doing over there is “All Americans”.

Wait, I thought the Jews were God's chosen people, and they were our friends? Friends of the Christ follower?

Where did Jesus say we would be dragged to on account of our faith?

- Disciples : "when will these things be?" → when is the end?
  - **Mr 13:9** "But be on your guard; for they will deliver you to *the* courts, and you will be flogged in *the* synagogues, and you will stand before governors and kings for My sake, as a testimony to them.

Wait, I thought it was Judeo-Christian?

This "judeo christian" originated early 19<sup>th</sup> century England, Alexander McCaul, a Christian missionary, in a letter dated October 17, 1821

about jews who converted to Christianity. It did NOT mean or even imply shared heritage, religion, or morals.

Good or bad, this was NOT the meaning.

- Also later by Joseph Wolff in 1829, also in the context of missionary efforts to convert Jews while incorporating some Jewish traditions

Then we see Nietzsche in "The Antichrist", 1895 hating both Judaism and Christianity; christianity more, saying Paul weakened everyone through misleading about Christ's teachings (but Nietzsche is really evil!)

How we know it is due to 20<sup>th</sup> century influencers like

- George Orwell began tying the two together under moral similarities, 1940s
- Eisenhower in 1950s under same ideology

It's to garner support for israel. Another rabbit hole...

So what happens to the John Hagees, Mike Huckabee, and Ted Cruz of the world when this gets traction?

What will their message be?

See how if you follow a lie long enough and it becomes a way of life for you, that when it breaks, it leaves you in the darkness?
