We left off here on the spiral

26b for their women exchanged the natural function for that which is unnatural, **27** and in the same way also the men abandoned the natural function of the woman and burned in their desire toward one another, men with men committing indecent acts and receiving in their own persons the due penalty of their error.

We asked ways people in this state receive in their own persons the due penalty of their error?
before we consider this again, let's take a closer look.

We read (this) and say, "Oh, it means they'll get sick" i.e. it means 'body'

Hmm... Where would we go to find out what the original language is saying here?

That's right class, Blueletterbible! hahaha!

- "in themselves" = IN, a prep. and THEMSELVES –
- click on THEMSELVES and go see where/how it's used – it's so basic

For example, and here is a trivia quiz: who said this?

(Mt 9:21) for she was saying to herself, "If I only touch His garment, I will get well."

- Did she proclaim it outloud for all to hear?
- what does it mean she said it 'to herself'
- it's the EXACT same phrase in greek

Point (6 pts) : its just purely reflexive. It means back to you, or receiving in "the you"; all that makes you up
Therefore – how do people receive in themselves the due penalty of their error with homosexuality?

1. Health impaired and bodily frame debilitated.

2. Mental faculties enfeebled. (grey matter

ANOTHER study (and there are several)

In May 2014, a study in the prestigious journal JAMA Psychiatry was all over the news. It found that the more porn men reported watching, the less volume and activity they had in the regions of the brain—specifically the striatum—linked to reward processing and motivation. They also found that connectivity between the striatum and the prefrontal cortex (which is the part of the brain used for decision making, planning, and behavior regulation) weakened the more porn the men reported watching.

continuing – penalties received while in the body, more than just AIDS.

3. Conscience seared, and moral sense weakened and degraded.

- ¹ 1 Tim 4:1 But the Spirit explicitly says that in later times some will fall away from the faith, paying attention to deceitful spirits and doctrines of demons, ² by means of the hypocrisy of liars seared in their own conscience as with a branding iron,

4. Finer feelings and delicate sensibilities blunted and extinguished. (John Mayer)

5. Incapacity to appreciate the natural affections.

6. Insensibility to the noble and good, the beautiful, and true. (Ron Auch's "Prayer Can Change Your Marriage")

Ro 1:28 And just as they did not see fit to acknowledge God any longer,

Not because they *couldn't*, but because they didn't *want* to / it displeased them (some translations)

Response

(:28) God gave them over to a depraved mind, to do those things which are not proper, **what is depraved?**

From SermonIndex

refers to that which is rejected after a trial or examination because it fails the test. It means to put to the test for the purpose of being approved, but failing to meet the requirements.

Adokimos was commonly used of metals that were rejected by refiners because of impurities. The impure metals were discarded, and adokimos therefore came to include the ideas of worthlessness and uselessness.

The mind that finds God worthless becomes worthless itself. It is debauched, deceived, and deserving only of God's divine wrath. The sinful, depraved mind says to God, "Depart from us! We do not even desire the knowledge of Thy ways."

Do you know anyone who ever committed the unpardonable sin? (trick question)

- Explanation.
- Point – there is a point where someone is so far gone, they can no longer recognize salvatory truth

And at the bottom of the staircase, look what we found all over the floor!

Step

29 being filled with all unrighteousness, wickedness, greed, evil; full of envy, murder, strife, deceit, malice; *they are* gossips,³⁰ slanderers, haters of God, insolent, arrogant, boastful, inventors of evil, disobedient to parents,³¹ without understanding, untrustworthy, unloving, unmerciful;³² and although they know the ordinance of God, that those who practice such things are worthy of death, they not only do the same, but also give hearty approval to those who practice them.
