We The People

News

The [Federal](#) Reserve ([what department of the government is the Federal Reserve?](#)) is launching FedNow in 2023 as a pilot.

What is [FedNow](#)? (see bullets there)

It will be like China's CIPS

It's "not" a central bank digital currency (those scary things I told you about)

[Erik Voorhees](#), (see meme!) founder of open-source crypto exchange ShapeShift, said this about CBDCs:

"It will have all the rules that each bank and each central government wants to impose, just like the banking system today, and yet it's even worse because it will have greater surveillance capabilities over all the people using it. It's like all the worst aspects of fiat today in your bank — plus Orwellian spy surveillance nightmare."

Once everyone is required to have a FedNow account, what's the difference between FedNow and a CBDC? Not much.

(If it quacks like a duck...)

So how will "they" know anything about me?

Glad you asked. [How do they do it in China?](#) – the social credit score

[Friday](#), it came out the Fed is also launching a program for this as well.

- ESG – Environmental, Social, Global.
- It's a scoring system for corporations.
- The higher the score, the easier the loan money

A high score is attained by meeting NOT profits under law for shareholders, but [WOKE](#) policies (scroll down to chart).

Primarily, an ESG funded company must propagandize, that is all. They must propagandize their employees and they must propagandize their customers. As long as they do this, that sweet loan capital keeps flowing.

They figure, if the corporate world can be pushed to go full woke, then this will trickle down to the general public and influence our behaviors and thinking.

[Don't believe this? Anyone think of examples in your workplace right now?](#)

- email signatures
- DEI training
- Bathroom doors?

So then how would it NOT influence "our" behaviors?

Proof it will? We all bought into satanic social Marxist "Political Correctness" in the 90s.

- Anyone who questioned it was considered an unsophisticated social luddite

ESG acts as a trojan horse for the continuing centralization of the American financial system. ESG finance, popularized by hyper political asset management behemoths like BlackRock and Vanguard, acts to prevent outsiders from challenging the regime-connected insiders on Wall Street and in Washington, under the guise of acting to manifest a healthier planet. In other words, pro-ESG institutions are committed to attacking free market principles by means of deception, preferring the CCP-style "stakeholder capitalism" that allows for a small group of technocratic elites to make broad determinations about society.

Who is behind this? Probably nobody you have ever heard of.

The banks involved in this pilot program are Bank of America, Citigroup, Goldman Sachs, JPMorgan Chase, Morgan Stanley, and Wells Fargo.

[Listen](#) to the president of the Minneapolis Federal Reserve Bank

- (are you GETTING this?? This isn't a fear mongering blogger...)

Anyone have Netflix or Prime? Watch NOSEDIVE if you want to get a gut feel for what this is going to do.

Point – you have the launch of a programmable CBDC *and* a social credit score system in 2023.

- Do you think this kind of control is radical? Life changing?
- Do you think you will be able to avoid it by simply clicking “opt out” button?
- It will take **radical** moves to avoid this or not give it full control over you.

Why is this important to understand now?

- Because if this giant beats you, the next one will crush you.
- You will “just go along with it” like everyone else and all will be manageable until “the Mark” that literally defines this system.
- Then you will justify taking it because after all, everything you have is in the system.

Review

- [Tytler Cycle](#) – why nations rise and fall, why we are falling
- Weathermen Underground – HOW we are falling
- Obama's 3<sup>rd</sup> term
- Tytler – going into Bondage and that means loss of rights *unrighteously* (communism, 100+M people)
- We gave 3 examples of stolen rights, and whether God would be ‘for you’ in standing AGAINST the system for those rights
  - NOTE there was a question about this ‘what do you mean, would God stand with you?’:
    - Rom 8:31 if God be for us, who can be against us?
    - There are battles God will fight. Conversely, there are prayers for other people God will not hear (because of wickedness)

1 – You discover you don't have rights to a 2 hour nap at work. ?? No, probably not much Jesus-support there.

2 – You lose your right to drive a gasoline powered car (see CA and stupid policies) – maybe? who knows.

3 – You lose your right to address a man as a man or you lose your job.

(Steph) raised a strong concern about this because we need to show compassion, can't go slice in 2x w/ sword of the Lord or you win the battle, lose the soul.

This entire series is about recognizing and having done everything, to stand firm against THE SYSTEM. It's the battle against the system, not the lost souls (otherwise we'd just arm up and go to civil war).

Disclaimer – we are discussing the nation going into bondage → “unalienable rights” being taken. What do we do about that? Go along? Or stand against the grain, be labeled bad guy, censored, get fired etc.?

That's why I gave the ‘call a man a woman’ example.

Has anyone's place of work started instructing workers to put pronouns after your signature line?  
Is this / Will this soon be an employment issue?

Some things are black and white, some things are grey.

The black and white:

Eph 4:11 And He gave some as apostles, and some as prophets, and some as evangelists, and some as pastors and teachers, 12 for the equipping of the saints for the work of service, to the building up of the body of Christ; 13 until we all attain to the unity of the faith, and of the knowledge of the Son of God, to a mature man, to the measure of the stature which belongs to the fullness of Christ. 14 As a result, we are no longer to be children, tossed here and there by waves and carried about by every wind of doctrine, by the trickery of men, by craftiness in deceitful scheming; 15 but speaking the truth in love, we are to grow up in all aspects into Him who is the head, even Christ, 16 from whom the whole body, being fitted and held together by what every joint supplies, according to the proper working of each individual part, causes the growth of the body for the building up of itself in love.

Breaking this down:

- There are offices in the church to help the body mature into Christlikeness (elsewhere 'til Christ be formed...')
- So stop believing your employer and the 1,000 other employees who go along drinking this sewage,
- Stop letting them trick and deceive you into thinking 'go along' = the kind thing to do

Look at these words –

[https://www.blueletterbible.org/kjv/eph/4/14/t\\_conc\\_1101014](https://www.blueletterbible.org/kjv/eph/4/14/t_conc_1101014)

- Sleight (trickery) – from English 'sly', not slight.
- 'deceitful scheming' / 'cunning craftiness' – from SermonIndex Craftiness (3834) (panourgia from pas = all + ergon = work) is literally "all working" or capable of all work. In the NT it takes on a negative meaning and conveys the ideas of trickery involving cunning, cleverness, craftiness or treachery. Panourgia conveys the the idea of clever manipulation of error to make it look like the truth.

Progress

- Freed the slaves
- Liberated suffrage laws for women and people of color
- (good thing)
- But in the name of progress, they are now liberating people from restraint into sin; from hiding it in shame, to actually promoting it

<https://www.bible.com/bible/100/ROM.1.32.NASB1995>

Rom 1:32 and although they know the ordinance of God, that those who practice such things are worthy of death, they not only do the same, but also give hearty approval to those who practice them.

Slavery / Suffrage

We reasoned there is –

- Gal 3:28 **There is neither Jew nor Greek, there is neither slave nor free man, there is neither male nor female; for you are all one in Christ Jesus.**
- That men are created equal - [Gen](#) 1:27 - God created man in His own image, in the image of God He created him; male and female He created them.
- That slavery is looked down on - **1Co 7:21** **Were you called while a slave? Do not worry about it; but if you are able also to become free, rather do that.**

So we don't have slavery, equal rights etc..

But now we're using the same reason through "trickery", through "deceitful scheming" to justify the sin of sexual perversion and criminalize anyone who VIEWS it differently.

So this is a black and white issue. Do I need to drill down into what the scripture says about sexual perversion, men dressing in women's clothing, etc? If I do, where's the exit sign??

The grey area – The satanic pedophile elite – and – down are going to force you to go gay and starve to death or stand up.

So where is YOUR line? Is it the same for everyone?

Is it true that I am a Mr., He, Him? Is it wrong for me to put that at the end of my email?

On its face, no but for the trickery, the deceitful scheming of men.

- ie it should be OBVIOUS to you already. It's there because sin (gender chg.) is making it NOT obvious.

What is the trickery of getting us to do this?

-it's to sign on to their system, to set precedence that you are part of the system and must conform to their way of thinking.

What do you think I mean by 'signing on to their system'?

CBDC + social credit score = if you don't you lose your wealth & opportunities automatically like a criminal

To be sure – these are cutting edge issues not for the novice.

Rod doesn't have all the answers.

There is success in the counsel of many.

We are WAY off track here!! but what is more important? Getting through Rod's Sunday School lesson? or addressing a real-world issue in the class?

Let's go back to basics

*God wants all to be saved. (gave us great commission too!)*

- **2Pe 3:9** ¶ The Lord is not slow about His promise, as some count slowness, but is patient toward you, not wishing for any to perish but for all to come to repentance.
- **1Ti 2:4** who desires all men to be saved and to come to the knowledge of the truth.

*Sin deceives*

- **Ro 7:11** for sin, taking an opportunity through the commandment, deceived me and through it killed me.
- **Hebrews 3:13 (NASB)** But encourage one another day after day, as long as it is *still* called "Today," so that none of you will be hardened by the deceitfulness of sin.

Pay attention to this

- They are deceived (know not what they do), hardened, largely turned over
- They have masters who are forcing you to play their game
  - [WEC](#) = the face
  - This spreads out to nations – [Klauser's puppets](#)
  - Everybody else just goes along with it and supports the 7.1% ([Gallup](#))
  - THIS is why we are covering We The People series
    - What if Stephen had gone along and said "Yeah, I get your viewpoint, I can live with that."?
    - What if Paul had said, "I know you beat me with rods w/out a trial but Jesus said to turn the other cheek, so we'll leave now as you asked us to."?
    - What if Jesus had said, "Hey guys, can you maybe give out this tract with your money-changer operation here?"

*Jesus didn't answer a fool according to his folly - examples: Jesus & rendering to Caesar, Jesus and washed hands, who are you the Christ – was John's baptism?*

[Matt 22:15](#) Then the Pharisees went and plotted together how they might trap Him in what He said. <sup>16</sup> And they \*sent their disciples to Him, along with the Herodians, saying, "Teacher, we know that You are truthful and teach the way of God in truth, and defer to no one; for You are not partial to any. <sup>17</sup> "Tell us then, what do You think? Is it

lawful to give a poll-tax to Caesar, or not?"<sup>18</sup> But Jesus perceived their malice, and said, "Why are you testing Me, you hypocrites?"<sup>19</sup>

wait, what do you mean 'why are you testing me?' What's the big deal?

- If He says 'pay the tax' He loses most/all influence of the Jews as a traitor to His country (Jews hated the roman head-tax)
- If He says 'don't pay the tax' He is civilly liable for sedition / tax evasion
- Jesus is in grave danger of losing his job!

"Show Me the coin *used* for the poll-tax." And they brought Him a denarius.<sup>20</sup> And He \*said to them, "Whose likeness and inscription is this?"<sup>21</sup> They \*said to Him, "Caesar's." Then He \*said to them, "Then render to Caesar the things that are Caesar's; and to God the things that are God's."

Note the enemy sets up obstacles like this where your path will collide with one of 2 parties  
In this case, it's the Roman Government vs the Jewish People

Another 'pronoun' case (referring to you having to address people by pronouns)

John 8:3 The scribes and the Pharisees \*brought a woman caught in adultery, and having set her in the center of *the court*,<sup>4</sup> they \*said to Him, "Teacher, this woman has been caught in adultery, in the very act."<sup>5</sup> "Now in the Law Moses commanded us to stone such women; what then do You say?"<sup>6</sup> They were saying this, testing Him, so that they might have grounds for accusing Him.

Now I know you know what He said... But what's REALLY going on here? Why / how is this a 'test'?

They officially brought her to him for adjudication.

1. If He says 'Yes, she is to be stoned', He is civilly guilty of circumventing the system of arrest/trial to exercise the Power of Life/Death which belonged only to the Roman government.
2. If he says, "Nah, let her go" then He's in violation of old-testament law (**Leviticus 20:10 (NASB)** 'If *there is* a man who commits adultery with another man's wife, one who commits adultery with his friend's wife, the adulterer and the adulteress shall surely be put to death.)

Again – 2 parties, the OT Law and the Roman Government which has a different system of handling such.

But Jesus stooped down and with His finger wrote on the ground.<sup>7</sup> But when they persisted in asking Him, He straightened up, and said to them, "He who is without sin among you, let him *be the* first to throw a stone at her."

<sup>8</sup> Again He stooped down and wrote on the ground.<sup>9</sup> When they heard it, they *began* to go out one by one, beginning with the older ones, and He was left alone, and the woman, where she was, in the center of *the court*.

This is wisdom that comes from above, is pure etc...

In context of our gender discussion, If it isn't obvious to you by now that we live in Sodom you might be too much like Lot's Wife.
