[Former](#) Deputy Nat'l Security Adviser KT McFarland: FBI, CIA & DOJ Will Rig 2024 Election

- FBI did it in 2016, failed
- CIA got involved in 2020
- Now in self preservation mode b/c (like Lindell) they have all the evidence
- She's still living in the hope of a 2 party system

The Point? The country is sold out. Only a move of God can save us from the wickedness in hi places

[600,000 Americans](#) Per Year Are Dying From COVID Shots Says Top Insurance Analyst

Former Bernstein senior analyst Josh Stirling draws a shocking conclusion from UK government health data.

- Given to Sen Ron Johnson at hearing
- Those vaccinated against COVID-19 have a 26 percent higher mortality rate on average compared to those who declined the jab – and the death toll is even more staggering for vaccinated people under 50 years old, where mortality is 49 percent higher than for those unvaccinated.

Point – this can't be hidden, it's coming out, and then what happens to the social fabric?

- Again, only a move of God can fix this – AND HOW DOES THAT HAPPEN?

[They](#) said the mRNA stayed in in the deltoid muscle for a few days

- then 60 days
- now it's persisting all over the body 2y later (and why would we think anything diff't??)
- Point – the establishment lies
- Point – you know people with regret and even complications? What is the #1 purging OTC available and who said it?

[iRS 'is developing](#) new Biden-backed algorithm that'll see more white and Asian people targeted for tax audits to boost racial "equity"

- America First Legal Foundation filed a FOIA
- It claims that an executive order signed by President Biden last week encourages the IRS to alter its algorithms to audit more white and Asian taxpayers
- The algorithm the IRS uses was found to target black households and businesses more than non-black households and businesses

What do you see in this? – division

It is living

Heb 4:12 For the word of God is living and active and sharper than any two-edged sword, and piercing as far as the division of soul and spirit, of both joints and marrow, and able to judge the thoughts and intentions of the heart.

Contextually

- Heb builds the case for Christ as our high priest forever
- If we hear His voice, don't harden
- If we are disobedient or unbelieving, we will not enter His rest (He swears this)

SO – let's be diligent to enter that rest

FOR (because) Heb. 4:12

Then – 4:13 “and there is no creature...”

and finally, 4:16 Therefore let us draw near with confidence to the throne of grace

So contextually, “living and active, sharper...” = end of Ch3 because God sets life and judgment before us and tells us to choose.

The example given is God let a whole generation die off preventing them from entering the Promised Land.

Why?

But it is still living.

In John, Jesus is addressing the “crowd of 5,000” He'd just fed.

He left, went to the other side of the sea because He knew they'd take him by force and make Him King.

That's a good thing right?

No – they wanted Him king because he could make food appear

He warns them not to seek for perishable food, but for imperishable,

Then contrasts Moses' bread (manna) with Himself

Then the dreaded John 6 speech

53 So Jesus said to them, "Truly, truly, I say to you, unless you eat the flesh of the Son of Man and drink His blood, you have no life in yourselves. 54 "He who eats My flesh and drinks My blood has eternal life, and I will raise him up on the last day. 55 "For My flesh is true food, and My blood is true drink. 56 "He who eats My flesh and drinks My blood abides in Me, and I in him. 57 "As the living Father sent Me, and I live because of the Father, so he who eats Me, he also will live because of Me. 58 "This is the bread which came down out of heaven; not as the fathers ate and died; he who eats this bread will live forever."

This sounds straight out of a Stephen King movie to me!

What happens when you eat brownies made with Ex-Lax?

Would you say it becomes part of you, gives you strength?

What happens if a person just stops eating from now on? How long would it take to die?

(same question) – stops drinking? How long?

What happens when you eat living whole foods?

What happens to your body when you become dehydrated?

- fatigue: sleep cycle, oxygen transport, digestion
- headache – cause unknown (Harvard)
- dizziness / light-headed - **doesn't have enough water to effectively carry out critical tasks like breathing, digestion, and other essential functions.**
- poor concentration / mental state – **News-Medical.net Several studies have shown reduced cognitive function in dehydration and the Importance of staying hydrated to preserve (or even enhance) cognitive function.**
 - Worse on women than men
- joint issues / inflammation (b/c not flushing toxins)

Jesus said if we eat His flesh and drink His blood we have the life God designed – of immortal quality (the Spirit man)
Clearly 'eternal life' doesn't apply to the body, because Paul discusses in detail in I Cor 15 about the perishable body as a grain of wheat

Describe a Christian's spirit man devoid of Christ's Living Water?
Fatigue etc- spirit is willing, flesh is weak (so the flesh dominates)

getting back to 'Living Word' – This eat-my-flesh stuff was difficult and many stopped following Him.

He then says

⁶³ "It is the Spirit who gives life; the flesh profits nothing; the words that I have spoken to you are spirit and are life.

Again

Joh 7:38 "He who believes in Me, as the Scripture said, 'From his innermost being will flow rivers of living water.'"

There's a war – the spirit vs the flesh. Winner gets to be the decider. Who makes the decisions in your life?
Anyone who is dehydrated & hasn't eaten in 3 days feel like going on a nice jog?
