

2/1/26

events come in waves. This is a big wave week.

First up to bat – the false prophet Yuval Noah Harari, the homosexual spokesman for the World Economic Forum.

- (watch video, **what is he saying?**)
- He is telling you that you need to memorize scripture and have paper bible copies.

Remember the whole “hey google” thing?

“We accidentally recorded private conversations. Accidentally shared them with advertisers. Super weird. Oops.”

They admit that covid was a test to see how well we would comply with ridiculous acts like masks, social distancing, not going to church but do go to Sutherlands, and walk down the aisles on the arrows.

Understand the stealth wealth transfer that has been taking place since 1913 but has gone rampant in the last few years just like the fall of the great Roman empire.

- In today’s 10-sigma impossible 911 event against the metals, it’s still \$125 for 8 of these quarters that used to be \$2.
- How did \$2 become \$125?
- Would u call that balanced weights & measures?

- The dollar is falling with respect to gold.
- Gold is money
- The USD is a fiat currency – declared value. Legal Tender.
- You need to understand this: Gold doesn’t “go up”.

Congress voted to allow funding for car kill switches

I think it was Joel Skousen – author of Strategic Relocation, said 2015 is latest safe year from this when asked. FYI

Granted this is an inflammatory post but in reality, there are RESTRICTIONS on Christians while Muslims dirty the airwaves with bullhorns and daily prayer

- Coming to a city near us unless God intervenes.

**Now** next, down in 2:62

**Ezr 2:62** These searched *among* their ancestral registration, but they could not be located; therefore they were considered unclean *and excluded* from the priesthood.

Some weren’t able to prove their lineage

**what happened to them / what did they end up doing?**

Supported in any way besides priestly duties indefinitely or if they could be proven.

### How were they proven?

Either by finding records or by priest with urim and thummim

### What is urim and thummim?

we don't REALLY know and we won't study it much here

Basically a way to get God's will by asking binary questions.

Remember when Saul had Israel go against the Phillistines? Everybody has to fast!

They had great victory, some found some honey and Jonathan took some b/c he didn't know Saul said we were supposed to be fasting?

Then Saul inquired again but didn't get an answer?

Hmm... must be something wrong in the ranks

So he used urim & thummim

**1Sa 14:41** Therefore, Saul said to the LORD, the God of Israel, "Give a perfect lot." And Jonathan and Saul were taken, but the people escaped.

18<sup>th</sup> century bishop Thomas Coke

There is nothing for lot in the original, and our Marginal shew the innocent, is rather an explanation than a version. The following is Houbigant's version: And Saul said unto the Lord God of Israel, [shew unto us why thou hast not answered thy servant Saul this day. If this iniquity is in me, or in Jonathan my son, discover it by Urim, or if this iniquity is in the people,] discover it by Thummim.

why was it important they prove genealogy?

Because God's people was a divine assembly, not to be mixed with outsiders

**Ex 28:1** ¶ "Then bring near to yourself Aaron your brother, and his sons with him, from among the sons of Israel, to minister as priest to Me--Aaron, Nadab and Abihu, Eleazar and Ithamar, Aaron's sons.

and

**Nu 3:10** "So you shall appoint Aaron and his sons that they may keep their priesthood, but the layman who comes near shall be put to death."

What happened to King Uzziah when he improperly burned incense?

What happened to Nadab & Abihu for 'strange fire'?

What happened to Uzzah when he grabbed the ark?

So this is highly important.

Satan was after Christ's line that would give Him a body here, for centuries.

What about today? God's chosen people?

OK then for today, "proving your lineage" – Is there a corollary for the church for today?

- our identities in Christ make us 'church family'
- not just taking someone's word that God said this or that, prove by Berean
- Reminders that our instruction/authority is from the bible

**Way** to important in doing God's work/will to do it His way

**1 Tim 3:** <sup>8</sup> Deacons likewise *must be* men of dignity, not double-tongued, or addicted to much wine or fond of sordid gain, <sup>9</sup> *but* holding to the mystery of the faith with a clear conscience. <sup>10</sup> These men must also first be tested; then let them serve as deacons if they are beyond reproach.

Why not let just anyone serve as deacon?

So great – they all went back! ? No, about 50k leaving another possibly 100,000+ behind.

Why did just around 2/3 of them stay in Babylon and only like 50k went back?

Josephus – "Antiquities of the Jews"

yet did many of them stay at Babylon, as not willing to leave their possessions

- Prosperity & stability – you know God told them to build a house, dig in b/c you'll be there awhile (70y) so you know He blessed them.
- But this blessing became a curse because their hearts sat on the blessing vs the giver who gives & takes away.
- Generational roots
- Practical challenges – journey, not set up there yet
- Edict was optional so why go?
