

5/5/24

Welcome

Prayer to dissolve naivety from God's people, shrewd as serpents/innocent as doves

It was a small group of folks this morning so we took a different direction. I believe this will help you.

Remember 2021 showing you self-assembling nanobots in vaccines that self assemble under 5G emission?

- The Spartacus Letter that proved all that out?
- LaQuinta Columna that took electron microscope video of it and let us see it?

Remember last week about the self-assembling nanobots they figured out how to put in vaccines – IN 2013???

Maria Zee, Zeee Media this week showing Bill Gates bragging about it

- **Note** – it was always about transhumanism which I warned you about in June of 2019
- Inject you with 5G nano-routers, your body supplies electricity
- Information flows 2 ways, You become part of the hive mind
- Satan's "beast" AI Brain on global network like Mobile World Congress (Cell phone co's!!) said would happen this decade with 5G
- All follow after the beast
- It's just like Rev, it's an exact counterfeit to the Kingdom of God!

What's the overall goal then of the god of this world's system?

Transhumanism, connect you to him.

Who was the biggest lobby group (who spent most \$ on buying laws in the US in 2023?)

Interest groups spent a record \$4.2 billion lobbying federal lawmakers in 2023, led by the pharmaceutical and health products industries, according to a new report by OpenSecrets

Tucker "asked an insider" – that insider is Calley Means, Big Pharma consultant, got out after his mom died helplessly of cancer

<https://calleymeans.com/media/>

This is an open secret working for pharma. This is an open secret. The kind of silly ads you see between the news breaks, the points of that is not — it's largely to impact the customer. But the pharma has already got that. They've already bought off the doctors. They're good on that.

No, this is an open secret. The news ad spending from pharma is a public relations lobbying tactic, essentially to buy off the news. They're not investigating pharma. The news has become basically a referee. That you are a terrible anti-science luddite for asking why the shots that we require our kids to get, that fundamentally by their own advertising change the immune system of that child for life...

Remember Todd Callender

- lawyer for military men
- access to DMED data
- DOD patents etc.
- Discovery

discussing "Marburg" where you bleed out your eyes? That he thinks this will be artificially produced?

That's your setup.

Remember the 3 Hebrew young men who got in trouble in Babylon?

Shadrach, (Hananiah)

Meshech, (Mishael)

Abednego = servant of light, Babylonian name, not the one he was given in Judah

(Azariah = the recipient of God's help)

What happened in Babylon, what happened that got them to say we aren't going to follow the narrative blown on us by media?

Nebuchadnezzar made a 90ft statue of gold

Had a dedication ceremony

Said when we play the manipulative music and jerk at your heart strings, bow & worship

But Nebuchadnezzar wasn't SM&A's God.

- They don't respond to appeal to the soul / the emotions, they walk by faith.
- They don't respond to fear.
- They don't respond to panic.
- They respond to Christ.

<https://www.biblegateway.com/passage/?search=Daniel+7%3A13-18&version=NASB>

Daniel 7:13 Then Nebuchadnezzar in rage and anger gave orders to bring Shadrach, Meshach and Abed-nego; then these men were brought before the king. ¹⁴ Nebuchadnezzar responded and said to them, "Is it true, Shadrach, Meshach and Abed-nego, that you do not serve my gods or worship the golden image that I have set up? ¹⁵ "Now if you are ready, at the moment you hear the sound of the horn, flute, lyre, trigon, psaltery and bagpipe and all kinds of music, to fall down and worship the image that I have made, *very well*. But if you do not worship, you will immediately be cast into the midst of a furnace of blazing fire; and what god is there who can deliver you out of my hands?" ¹⁶ Shadrach, Meshach and Abed-nego replied to the king, "O Nebuchadnezzar, we do not need to give you an answer concerning this matter. ¹⁷ "If it be so, our God whom we serve is able to deliver us from the furnace of blazing fire; and He will deliver us out of your hand, O king. ¹⁸ "But *even if He does not*, let it be known to you, O king, that we are not going to serve your gods or worship the golden image that you have set up."

But it was so easy to just avoid all that in the first place. Just bow. You don't have to believe in it, just go along with it. Why not just go along with it? You don't really mean it.

What have you been reminded of today?

- The financial ubermensch have already TOLD YOU their intentions. They want transhumanism
 - Schwab's 4th industrial revolution books
 - Google's Kurzweil
 - The CELL PHONE companies!!
- They put it in vials and call it health
 - They want you ignorant of how to be healthy without doctors in white coats
- They create bioweapons in BSL 4 labs around the world – now at your local KSU in Manhattan, taking over for Plum Island
 - (and what came out of plum Island?)
- They put out the clarion call – when you hear the music (see the guy with blood coming out his eyes) take the vaccines and pills we mandate

- You don't want to die do you? You don't hate other people do you? You're a Christian!

What if what they release really does kill a lot more people

<https://www.c-span.org/video/?c5010580/user-clip-bill-gates-pandemic-will-attention-time>

what if the only way to stay alive is to swallow their pills and take their shots?

You don't want to throw your life away do you? All you have to do is take the shots, take the pills.

POINT

Make no mistake about what you are going to see.

This is in no way (above) "that easy".

This is going to be a more difficult test than we faced with mandated masks and vaccines in Covid.

The decision is between you and the Lord.

You know the intentions of those with the problem and solution (also known as Hegelian Dialectic)

It was only after the 3 Hebrew men made their decision they would rather die than bow that God stepped in and helped them.

What might have happened to them if they had bowed and just went along with it?
