

9/6/26

Welcome / Prayer

God, send us voices of wisdom to guide us in this ever more wicked world bent on destruction of your creation.

OK, He says...

Who knows [Dr. Robert Malone?](#)

Pioneered mRNA tech

- Exposed the Dangers of mRNA Technology and Vaccine-Induced Myocarditis:
- Challenged the Deadly Hospital Protocols and the “No Remdesivir, No Ventilator” Death Trap –
- Exposed the Fraud of the 6-Foot Rule and Lockdowns as Scientifically Baseless –
 - all later confirmed by Johns Hopkins in a non-read meta-analysis
- Revealed the Truth About Vaccine Injuries and Government Cover-Ups:
 - National adverse events reporting programs were overwhelmed, while the “safe and effective” mantra kept ringing on TV
- [Warned](#) About the Depopulation and Digital ID Agenda Behind Vaccine Mandates –
 - connected the COVID response to the broader globalist agenda, including Bill Gates’ push for digital immunity certificates. Gates explicitly stated the need for “certificates of who’s a recovered person or vaccinated person” to control movement, a plan tied to the ID2020 digital ID program [A-4]. Dr. Malone’s warnings helped people understand that vaccine mandates were never about health but about creating a system where only those who submit to the jab can participate in society.
- Exposed the Corruption of Dr. Anthony Fauci and the Wuhan Lab Connection:
 - Dr. Malone highlighted how Dr. Fauci, who sits on the Leadership Council of the Bill and Melinda Gates Foundation, approved funding for gain-of-function research at the Wuhan Institute of Virology in 2015, violating a government moratorium [A-4]. Fauci had predicted a pandemic in 2017, and his orchestrated destruction of Dr. Judy Mikovits’ career—confiscating her computers, retracting her paper, and blackballing her from NIH grants
 - [RFK](#) wrote the book, “The Real Anthony Fauci”
 - Dr Robert Redfield CDC head – it came from a lab (Saying this AFTER leaving office on CNN/Gupta)

He just wrote another book.

Any guesses as to what it is about?

[Homesteading](#) for Health: One Farm Family's Guide to Food, Land, and Self-Sufficiency

- Finding and financing a homestead without taking on crushing debt
- Raising chickens, goats, sheep, cattle, pigs, turkeys, and exotic poultry, including breed-specific advice and frank warnings about what goes wrong
- Rebuilding living soil through composting, cover crops, and rotational grazing
- [Preserving food](#) and organizing a household that actually functions
- Gardening for nutrient density using raised beds, heirloom varieties, and organic methods

I caught this in a Liberty and Finance interview [here](#)

- He went into detail how they were living like luddites during the covid scandal, hauling water etc.
- Whether you have lots of land or even a back yard, (like Al & chickens), how to work toward health & independence.

When Ron Paul opted out of politics but promised a legacy and “we” were all anxious as to how he would figure out how to dismantle the Fed, or make fair elections, or cinch the 2nd amendment... and he came back a year later with a home school program – **why on earth would Dr. Ron Paul do that???** God, send us godly leaders...

Why would Dr Malone, the mRNA guy, want to write a book about this?? God, send us godly leaders

So... You have the prepper community,
medical doctors (Malone),

conservative news people (Hunter, Lib&Finance)
[climate](#) scientists David Dubyne / Dane Wiggington,
[Major](#) international banks - JP Morgan and World Bank (last week saw this)
[Economists](#) – Martin Armstrong
[Politicians](#) – Cathrine Austin Fitts
[Food](#) and Agriculture Organization (The UN), 9/4/26
Religious community – Perry Stone, Jimmy Evans, Katie Souza

and the Bible (Isaiah 3) all telling us this is going to become a big deal and already is if you just look around you at instability, inflation and geopolitical aspirations.

Last time I saw all these sectors align was beginning late 2006 which is why we knew exactly what was going to happen in the “great financial crisis” a.k.a. “The Big Short”.

Acts 11 ²⁷ Now at this time some prophets came down from Jerusalem to Antioch. ²⁸ One of them named Agabus stood up and *began* to indicate by the Spirit that there would certainly be a great famine all over the world. And this took place in the *reign* of Claudius. ²⁹ And in the proportion that any of the disciples had means, each of them determined to send *a contribution* for the relief of the brethren living in Judea. ³⁰ And this they did, sending it in charge of Barnabas and Saul to the elders.

Note, they did something. SOMETHING. IN THE PROPORTION THAT THEY HAD MEANS.

This is why

Luke 12: 41 Peter said, "Lord, are You addressing this parable to us, or to everyone else as well?" 42 And the Lord said, "Who then is the faithful and sensible steward, whom his master will put in charge of his servants, to give them their rations at the proper time? 43 "Blessed is that slave whom his master finds so doing when he comes. 44 "Truly I say to you that he will put him in charge of all his possessions. 45 "But if that slave says in his heart, 'My master will be a long time in coming,' and begins to beat the slaves, both men and women, and to eat and drink and get drunk; 46 the master of that slave will come on a day when he does not expect him and at an hour he does not know, and will cut him in pieces, and assign him a place with the unbelievers. 47 "And that slave who knew his master's will and did not get ready or act in accord with his will, will receive many lashes, 48 but the one who did not know it, and committed deeds worthy of a flogging, will receive but few. **From everyone who has been given much, much will be required; and to whom they entrusted much, of him they will ask all the more.**

“I live in a closet in an apartment” –

- OK, can you learn or are you stuck only with the knowledge & skills you have?
- Can you partner with someone who can grow but can't keep up preserving?
- Can you learn how to preserve food?
- Can you learn how to identify wild edibles and preserve them?
- Can you trade a skill you have for eggs or meat?

Joseph did it. He didn't have to.

Review – the law of the Lord is _____ and what does it do?

God's word is his Manufacturer's Instruction Manual and it is so complete that it has everything and it is able to permanently change the direction of one's soul, making it whole.

2Pe 1:3 seeing that His divine power has granted to us everything pertaining to life and godliness, through the true knowledge of Him who called us by His own glory and excellence.

This is the message most on the outside and many on the inside of the Kingdom fail to see – we aren't called to trudge through life fighting old sinful desires, same ones, day after day, y/y etc.

We are called to let God's word change us so that Old passes / New (desires) come, and so we can have fellowship with the Creator.

2Co 5:17 Therefore if any man *be* in Christ, *he is* a new creature: old things are passed away; behold, all things are become new.

Struggle with old nature? Start learning and doing God's word, and that will change you, implant/engraft in you. As you DO this, you are making God a big deal = "delight yourself in" ... **and then what?**
> new desires come.

The law of the Lord is perfect, restoring the soul.

Moving on to 7b

7b The testimony of the LORD is sure, making wise the simple.

First divine instruction, now divine witness "This is what I say"

Consider the mount of transfig.

2 Pet 1: 16 For we did not follow cleverly devised tales when we made known to you the power and coming of our Lord Jesus Christ, but we were eyewitnesses of His majesty. 17 For when He received honor and glory from God the Father, such an utterance as this was made to Him by the Majestic Glory, "This is My beloved Son with whom I am well-pleased"-- 18 and we ourselves heard this utterance made from heaven when we were with Him on the holy mountain.

19 So we have the prophetic word made more sure, to which you do well to pay attention as to a lamp shining in a dark place, until the day dawns and the morning star arises in your hearts. 20 But know this first of all, that no prophecy of Scripture is a matter of one's own interpretation, 21 for no prophecy was ever made by an act of human will, but men moved by the Holy Spirit spoke from God.

Think about what that would have been like, to be there and wake up and see this supernatural event – presence of known "gone" patriarchs, and your Lord even transfigures, then God talks audibly

- He's reasoning – they weren't talking about believing in Santa, they were there!
- Then he describes the event and leaves us wondering in awe,
- But then he tempers that with tying God's utterance to the "**prophetic word made more sure**" that we have.
- Then he reminds us that man may have penned it but it was dictation, not authorship.

And it *is* sure!

So what does it do?

It makes simple people wise.

Greek caters to the philosophers we all know/heard of, but Hebrew is more salt-of-the-earth and basic.

- Ancient Hebrew had about 14,000 different words
- Ancient Greek had about 120,000 to 160,000 different words.
- Current spoken English is about 175,000 (Oxford Eng. Dict.)

"making wise the *SIMPLE*" –

- Simple = "open door"
- Because they are talking about a person (not a physical *door*...),
 - that means their minds – as in an open mind.
 - Should we keep an open mind about everything? (discuss...)
 - My2C= **Jer 6:16** Thus says the LORD, "Stand by the ways and see and ask for the ancient paths, Where the good way is, and walk in it; And you will find rest for your souls. But they said, 'We will not walk *in it*.'

- Once you know Truth, what possible reason would there be for keeping an open mind? (really consider this)
