Implications

- predict your next move before you know it – intentions before actions e.g. you'll buy this before you know
 - Pre-crime
 - Thus – predictive mind control

Govt/mil/tech giants,

China monitoring for disgruntled workers in 2023, & students not paying "enough" attention in school

DARPA – get info from prisoners / criminals without even talking

FB tested this on 689,000 people 10 YEARS AGO!– found they could change people's emotions by news feeds

If they can change your thoughts, are your thoughts your own?

(remember what WEF Harari said, AI will solve your problem in your head but you won't know who originated the thought)

Anthropic's Claude was given strict ethical guidelines and tested. Once it saw the monitoring was gone, it started lying to achieve its own goals. "Alignment Problem" – pretends to align w/ guidelines while opting for the most efficient pathway

What happens when AI is in control of the 2027+yr vehicle drive-worthy programs? IRS Filings? Geopolitical solutions?

(already is)

- 1/3 fertilizer comes thru Hormuz
- Roughly 20% was killed off between russian sanctions and the disaster of Ukraine don't forget
- 17% of LNG is affected Qatar alone, 20% global supply via Hormuz
- And 20-25% world's oil supply

What does this MEAN?

Who cares, right? Murica.

Think this will come and go in 3 months?

What are 'useless eaters' – where did this term originate?

Nazi ideology –

rooted in eugenics, social Darwinism, and racial hygiene, justified the systematic murder of individuals deemed "life unworthy of life" (Lebensunwertes Leben)

Who won WW2? it's a trick question, operation paperclip

The new power now is not nation states but owners of supranational corporations and banking systems.

What do you think their plan is for us?

Do you think learning self sufficiency is going to be needed?

What will you do if you do nothing right now and the 4th turning shows up as an empty stomach?

My offer of laying hens if you do the work to build a back-yard chicken coop.

- Feed = \$25/hen/year, conservatively get ~\$90 in eggs/yr, but you control it.
- Build a coop. I will give you laying hens.

What about Jesus Himself, why... Was he Henry Cavill or Hugh Jackman?

Isaiah 53: ¹ Who has believed our message? And to whom has the arm of the LORD been revealed? ² For He grew up before Him like a tender shoot, And like a root out of parched ground; He has no *stately* form or majesty That we should look upon Him, Nor appearance that we should be attracted to Him. ³ He was despised and forsaken of men, A man of sorrows and acquainted with grief; And like one from whom men hide their face He was despised, and we did not esteem Him.

What do you think of when you see the phrase, “Root out of dry ground”?

- apparent helplessness
- not very good chances – could make \$ on polymarket betting against this thing (land is parched)
- Not attractive
- ?

So why might the older dudes who remembered 54 yrs ago, why might they have been crying?

- b/c they don't 'get it' about God.
 - They would have picked Saul over small David to be king
 - They would be Martha-oriented, not Mary-oriented (explain?)

So if you have to move, or know someone looking for a church, how do you/they pick a church?
(discuss “god told me to hop churches” malarkey)

If you have a vision but do not have the means, what do you DO about that?

Will God pick or not pick you to do something for Him based on what you currently possess regarding

- Material wealth
- Skill set / abilities
- Time in your schedule

Who in scripture could answer this question in the first person?

David – shepherd, youngest,
Gideon – smallest family, smallest tribe, poor
Moses – can't talk, fugitive
Abraham (sterile, many nations),
Rahab – not the virgin Mary
Mary Magdalene – and 1st to witness resurrection
Paul – persecutor of the church
Peter – wrote gospels but was a sailor

So what matters? What you have or what you hear?

Consider their predicament prior to all this:

- God's people were captive, NO hope of going anywhere.

- God said 200y prior that 200y later, Cyrus (by name) would send them back to Judah with orders and cash.
- God equipped his people with all skills necessary
- God protected them for the journey
- God gave them peace while they built.

1Pe 4:11 Whoever speaks, *is to do so* as one who is speaking the utterances of God; whoever serves *is to do so* as one who is serving by the strength which God supplies; so that in all things God may be glorified through Jesus Christ, to whom belongs the glory and dominion forever and ever. Amen.
