A study published in June of 2021 by the National Institutes of Health found that the hospitalization rate from COVID-19 for the total population was 2.1%. If you are under the age of 40, the NIH study claims hospitalization rate from COVID-19 is just 0.4%.

For the shots, the hospitalization rate has been 8%.

FAO's Food Outlook expects the tab for imports of wheat, rice, maize, vegetable oils, and all other farm goods will jump to an all-time high and about 10% increase over the record level of 2021, although the agency expects demand destruction in response to elevated food prices and depreciating currencies against the US dollar.

We cannot support tyranny because it discards the values upon which God founded civilisation. No matter how well intentioned their system is, it remains radically different from the design God has for each man, woman and child. And while they proclaim that they are freeing us from the mistakes of the past and cataclysmic events of the future, their solution is not to encourage mankind to turn our eyes upon Jesus but to hand our freedoms over to them.

Declaration – Overarching is that we can see 6 self-evident truths here we're working through.

So far we've covered

1. *There is only one God*
2. *All men are created equal*
3. *The Creator gave each person unalienable rights*

There are 3 others after the 'unalienable rights' discussion

4. Governments are created by the people
5. Governments only exist to maintain liberty
6. Corrupt governments must be removed

We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness—That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or to abolish it,

Last week we discussed Life and Liberty being biblical rights given to us by God that governments cannot take away.

They CAN take the right away, but they are out of the order of Creation because

- 1) it's not their earth
- 2) the people are not theirs
- 3) they cannot change the nature of God and His order – IT IS WHAT IT IS!!
 - (reference a CBDC article last week about monetizing everything ie air/water)
 - Think this is new? Lamentations – had to pay for their own water. Insane, but their unalienable rights were stolen from them.

Last one of the 3 *listed* unalienable rights

("among these" means there's more than just these 3)

Liberty – **Does God give Liberty?**

Can anyone think of a bible verse with liberty in it?

- **Isaiah 61: 1 The Spirit of the Lord GOD is upon me, Because the LORD has anointed me To bring good news to the afflicted; He has sent me to bind up the brokenhearted, To proclaim liberty to captives And freedom to prisoners;**

Wait, **what is liberty? What does that mean?**

see [blueletterbible](#) and walk thru it

(so, 'exercise of free will', or 'pursuit of happiness' maybe)

For us – "liberty": **Is this being threatened in our lives in the U.S. today? How?**
CBDC

This takes place of all credit cards, cashier's checks, money orders, AND CASH

ALL commerce is done with it

Rev 13:17 and *he provides* that no one will be able to buy or to sell, except... (so this is the system)

How much “liberty” do you think you will have once this is in place?

Illus: You have a couple dogs that won't stay at home.

- All retaining efforts fail.
- You lay a wire underground (CBDC alongside current systems where nobody notices)
- You get the dog to come to you so you can place a collar on its neck (you cut off cash/other)
- You let him get used to his collar (system runs as a break-in period)
- You turn on the fence (you institute the crushing rules)

Now

Have extra ‘money’?

- You save it but they implement large negative int.rate to stimulate spending (explain)
- Economy in rough shape, you want extra food / fuel / supplies. No, u reached your limit.
- You try to buy physical land – no, carbon footprint is expanding too rapidly
- You try to buy gold – no, illegal purchase
- You try to give it to a charity or missionary – no, that guy exposes our game and preaches against our State. His social credit is on suspension.

You go grocery shopping

- You can't ring out because you didn't reach your 20% minimum of bug-made goods
- You can't purchase that much meat
- You have no heart-healthy selections from General Mills
- You reached the spending limit on food FOR YOUR SOCIAL CREDIT SCORE

Your social credit score is low because you speak out at school board meetings about the sexual curriculum they are teaching

- You board a flight to Phoenix to see family. When you get off the plane, you can't buy anything.
- You have been placed on a choker chain and not notified. Now you're stuck out there with zero buying power.

Does this sound like liberty?

Now that we know this, do we still keep playing in the yard like the dogs and go get our collar when our name is called? After all, you don't want to break the law do you?

Was this written to politically enslaved nations to get out from under their slavery?

(Was God saying “Hey guys, God anointed me to keep the FBI from raiding your house because you chose to speak up at a school board meeting.”?)

Trick question somewhat...

God had Isaiah write this.

ISAIAH wrote this to captives under painful servitude

JESUS grabbed a hold of it in [Luke 4:21-22](#) saying, “Today this Scripture has been fulfilled in your hearing”

- [John 8:36](#) If the Son therefore shall make you free, ye shall be free indeed.

Jesus is referring to what? Set me free from what?

(read earlier in chapter)

- [34](#) Jesus answered them, “Truly, truly I say to you, everyone who commits sin is a slave of sin. [35](#) Now the slave does not remain in the house forever; the son does remain forever. [36](#) So if the Son sets you free, you really will be free.

They are slaves of sin because they are blinded

[2 Tim 2:26](#) (talking about those in opposition to the gospel) and they may come to their senses and escape from the snare of the devil, having been held captive by him to do his will.

Get it? That's the prophetic fulfillment of Isaiah 61, let's go back to the original intent –
