Welcome / Prayer

God, help us navigate this crazy world. Build up Christian leaders who are experts in their field to help us. OK then, want to hear from a few of them today?

Today's helpers:

Mike Adams, Maria Zee, Greg Reese, Rick Wiles, Catherine Austin Fitts, Tucker Carlson, Greg Hunter, the Liberty & Finance people, Jesse Beltran – nanotech, Dr. Robert Young – maker of Master Peace

Upcoming food supply issues, with calls for awareness.

Certain food shortages → gov control

Mamdami – supermarkets in burroughs ran by the state

Fertilizer issue (we've talked about) will be cause for more widespread food insecurity

70% of farmers struggling to afford fertilizer

Wider depopulation agenda – remember this is engineered!

higher food and higher energy – the 2 things not included in Inflation calcs

This brings in the role of AI in future food systems, supply management, surveillance, or enforcement of control mechanisms.

Touched on Human Composting – 14 states – specifically to be used on farms. Dr rima labow backs this up

Takeaways -

Preparation and Self-Reliance (40:47):

grow your own food, stockpile, build local resilience,

reduce dependence on global systems, and prepare for related disruptions like power outages or extreme weather.

Doug casey – plan on severe energy shortages

sharedearth.com?

Marjorie Wildcraft – up to 50% of foods, chickens/eggs etc

## EZRA 5

**So the** stop-work was ordered in the last chapter, so work stopped. The Jews were being tormented, and there they sat. The work lay dormant. Apathy grew. How long did this take place?

- 530-520 BC – Work on the Temple stops by decree of King Artaxerxes.

Apparently God is patient!

But then

**Ezr 5:1** ¶ When the prophets, Haggai the prophet and Zechariah the son of Iddo, prophesied to the Jews who were in Judah and Jerusalem in the name of the God of Israel, who was over them, 2 then Zerubbabel the son of Shealtiel and Jeshua the son of Jozadak arose and began to rebuild the house of God which is in Jerusalem; and the prophets of God were with them supporting them.

and again

**Haggai 1:14 (NASB)** So the LORD stirred up the spirit of Zerubbabel the son of Shealtiel, governor of Judah, and the spirit of Joshua the son of Jehozadak, the high priest, and the spirit of all the remnant of the people; and they came and worked on the house of the LORD of hosts, their God,

Wait, I thought a stop-work order had been given them? How is this prophet not in sin here?

**Disobeying the government?** Discuss

Every was considered a government contractor by extension, Covid vaccines were required. Not for gov workers though... (see what a manure show this is yet??)

They were told by man

Ezra 4:3b but we ourselves will together build to the LORD God of Israel, as King Cyrus, the king of Persia has commanded us."

They were told by God

2 Chron 36: 22 Now in the first year of Cyrus king of Persia, that the word of the LORD spoken by the mouth of Jeremiah might be accomplished, the LORD stirred up the spirit of Cyrus king of Persia, that he made a proclamation throughout all his kingdom, and put it also in writing, saying, 23 Thus saith Cyrus king of Persia, All the kingdoms of the earth hath the LORD God of heaven given me; and he hath charged me to build him an house in Jerusalem, which is in Judah. Who is there among you of all his people? The LORD his God be with him, and let him go up.

Does God change His mind? Oops, just kidding, about rebuilding??
