remember, WEF documents show the plan of forced migration of incompatibles to hurry Albert Pike’s last war.

- The WEF’s report “Migration and Its Impact on Cities” (October 2017) highlights how cities should prepare for and integrate migrant flows:
- The WEF’s publication “The Business Case for Migration” (2013) by the Network of Global Agenda Councils
- Uncle Klause: “Now imagine one billion inhabitants, imagine they all move north.”

- We are at the cataclysm stage of the 4th turning.
- We are planning our lives best we can through this and it probably won’t be enough for what’s coming; none of us
 - But God called us for such a time as this.
 - He authors and perfects our faith.
 - This is His primary concern. The rest He takes care of when we seek first.
- Tell people you know. We wil not avoid the 4th turning, no other generation in >600 years has.

And to encourage...

Moving on.

Last time we finished discussion of the Left’s unsympathetic response to Kirk’s murder.

Their hearts are hardened, by God and themselves.

Jesus said [John 9: 5](#) "While I am in the world, I am the Light of the world."

He also said

[Matthew 5:14](#) "You are the light of the world. A city set on a hill cannot be hidden;

Light has an effect on the objects on which it shines

- cockroaches flee from it
- ladybugs (real ones) are drawn to it.
- Same light. Different effects on 2 bugs in the same place.

Back to our study:

7. Resolved, never to do anything, which I should be afraid to do, if it were the last hour of my life.

Psalm 90:1-12

1 A Prayer of Moses, the man of God. Lord, You have been our dwelling place in all generations. 2 Before the mountains were born Or You gave birth to the earth and the world, Even from everlasting to everlasting, You are God. 3 You turn man back into dust And say, "Return, O children of men." 4 For a thousand years in Your sight Are like yesterday when it passes by, Or as a watch in the night. 5 You have swept them away like a flood, they fall asleep; In the morning they are like grass which sprouts anew. 6 In the morning it flourishes and sprouts anew; Toward evening it fades and withers away.

7 For we have been consumed by Your anger And by Your wrath we have been dismayed. (result of the fall of man) 8 You have placed our iniquities before You, Our secret sins in the light of Your presence. 9 For all our days have declined in Your fury; We have finished our years like a sigh. 10 As for the days of our life, they contain seventy years, Or if due to strength, eighty years, Yet their pride is but labor and sorrow; For soon it is gone and we fly away. 11 Who understands the power of Your anger And Your fury, according to the fear that is due You?

12 So teach us to number our days, That we may present to You a heart of wisdom.

Years are 70, if due strength 80, teach us to number: Does God want us to calculate our death date?

You know A.I. can look at your genetic makeup and predict with reasonable accuracy when/what you'll die of.

what is God wanting us to see here, teach us to number our days?

- <https://clockfoundation.org/> uses GRIMAGE among others to accurately predict the cause & date of your death.
- There are several others dating back to 2013 with this ability

"SO – teach us..."; so = because you told us about the grass here today & gone tomorrow.

- Know even at a full life your death is tomorrow (Time Flies)

From James Hastings Great Texts of the Bible:

Time was Napoleon's most precious commodity, and for every stage and state of life he had a routine from which he deviated most unwillingly. In these years his days were spent in the careful husbanding of every hour.

The young are bulletproof, get saved later. Invest in stocks etc. The old are not so capricious, invest in bonds take less risks (See Ecc 12 about aging).

How wise for an 18y old kid; who by the way is pastoring.

How is Edwards' resolution causing him to live, as he repeatedly reads this?
