any predictions for 2023?

Brunson Case – <http://www.7discoveries.com> (explanation, DNI John Ratcliff)

- They decide Jan6 whether they will hear the case (4/9)
- Continue writing – there is time even after because they will appeal

Consider the following:

- Covid vaccines – tide is turning, WE know it's a soft kill gene-modifying bioweapon
- USDA persecuting amish communities
- Our food supply is in grave danger (Ukraine, fertilizer, supply chains, inflation)
- Our health care industry & effectively our gov has been overtaken by the W.H.O.
- Geoengineering is destroying the planet (Dane Wigington)

(This) is just a few examples.

From Brunson to (above) is proven right, why don't we just fix it?

-because it's not a civics problem

What's wrong with our constitution? Nothing. It's not being followed.

It's not a political problem.

It's a spiritual problem.

The root is spiritual. It is man having left his Creator.

Hab 1:1 The oracle which Habakkuk the prophet saw.<sup>2</sup> How long, O LORD, will I call for help, And You will not hear? I cry out to You, "Violence!" Yet You do not save.

- "Violence" – sign of a falling people, Gen 6 to Revelation
- James 4:2 What is the source of quarrels and conflicts among you? Is not the source your pleasures that wage war in your members?<sup>2</sup> You lust and do not have; so you commit murder. You are envious and cannot obtain; so you fight and quarrel.
- This is from the person to the nation (individuals experience this, nations go to war because of this)

<sup>3</sup> Why do You make me see iniquity, And cause me to look on wickedness? Yes, destruction and violence are before me; Strife exists and contention arises.

<sup>4</sup> Therefore the law is ignored And justice is never upheld. For the wicked surround the righteous; Therefore justice comes out perverted.

- "ignored" = lit. chilled. There is a fire involved in real justice.
  - When Jesus saw the moneychangers robbing people in the temple, did He petition the Sanhedrin?
  - When Paul saw Peter eating with the Jews / avoiding the Gentiles though himself no longer practicing Judaism, did he try to be Peter's friend first?
  - When David sent Uriah to the front lines so he could cover for his adultery, did Nathan send an anonymous email?

This to say, light a fire of justice in your heart

Practically – find 5 other people to write physical letters to SCOTUS

Left off talking of gov handed down from Adam – Noah that men would seek God

God gave Noah 3 rules for governing in Gen 9

1. "Be fruitful and increase in number and fill the earth" (Genesis 9:1);
2. "You must not eat meat that has its lifeblood still in it" (verse 4); and

3. "Whoever sheds human blood, / by humans shall their blood be shed; / for in the image of God / has God made mankind" (verse 6). After that, God repeats His command to "be fruitful and increase in number; multiply on the earth and increase upon it"

Note – Point 2 was my main "religious exemption" for not taking the Covid vaxxine.

- We showed many studies & pictures of what that does to red blood cells
- why people are tired, winded, brain fog etc.

Next

Consider Babylon vs Persia.

- Babylonian kings could make or break laws however they wished.
  - Daniel's statue? Gold = pure, absolute monarchy
  - Persia – part of the silver, not as pure rule but still pure
  - (even so they were supposed to respect private property, religion & tradition)
- Persian kings could not – Once a decree was made not even the King could disobey

**Can anyone remember why Daniel got thrown into the Lion's den?**

Point: Babylon had lost the knowledge of civil rights, Persia had not.

God brought Moses the 10 commandments.

He started getting overwhelmed by people needing him to judge, was worn out!!

**What happened?**

Jethro advised him to set up a structure of lower judges to settle smaller matters and a higher court for more complex matters.

If this didn't solve it, Moses looked at it.

Jethro was a midianite, showing that the midianites also retained the concept of liberty

Another example

Numbers 39 – there was confusion on inheritance for a daughter – easy for a son, but a daughter might not have those rights because she could transfer family property to another tribe. Rules were placed to satisfy both tribal laws and the rights of the women to inherit.

Deut 17 – God warned Israel that if they made a king over themselves he would be inclined to steal from people and vote himself largesse. Do we see this today?

So God gave instruction for this.

Saul did this. Just like God said would happen.

Saul ordered the execution of priests, but nobody would do it except the pagan Doeg, the Edomite.

**So when we say governments are created by the people – where do governments REALLY come from? We just figure this out, so some are good (U.S. Constitutional Republic) and some are horrible(CCP)?**

**Ro 13:1 ¶ Every person is to be in subjection to the governing authorities. For there is no authority except from God, and those which exist are established by God.**

**Psalm 75:7 (NASB)** But God is the Judge; He puts down one and exalts another.

**Daniel 2:21 (NASB)** "It is He who changes the times and the epochs; He removes kings and establishes kings; He gives wisdom to wise men And knowledge to men of understanding.

**Daniel 4:17 (NASB)** "This sentence is by the decree of the angelic watchers And the decision is a command of the holy ones, In order that the living may know That the Most High is ruler over the realm of mankind, And bestows it on whom He wishes *And sets over it the lowliest of men.*"

- This could refer to Nebuchadnezzar whom God disciplined
- This could refer to ANY low-ranking person.
  - Who was David, after all?? Lowliest of his family

- Who was Gideon, after all? Lowest in his tribe, in his family.
  - **1 Samuel 2:8 (NASB)** "He raises the poor from the dust, He lifts the needy from the ash heap To make them sit with nobles, And inherit a seat of honor; For the pillars of the earth are the LORD'S, And He set the world on them.
  - **Luke 1:52 (NASB)** "He has brought down rulers from *their* thrones, And has exalted those who were humble.

Discuss:

When a republican, pro-life candidate gets into office, Christians quote these verses but they are strangely silent when Obama the Constitution Shredder takes office,  
Even more silent now that we have an unelected demented placeholder “running the white house”.

**Why is this?**

All through the O.T. we see the same pattern over and over. anyone want to guess what that pattern is?

Sin – judgment – suffering – repentance – deliverance – sin...

Almost like this: Tytler Cycle -

Here is a good summary of a portion of this cycle, that truly all government is from God

Nehemiah 9:35 "But they, in their own kingdom, With Your great goodness which You gave them, With the broad and rich land which You set before them, Did not serve You or turn from their evil deeds.<sup>36</sup> "Behold, we are slaves today, And as to the land which You gave to our fathers to eat of its fruit and its bounty, Behold, we are slaves in it.<sup>37</sup> "Its abundant produce is for the kings Whom You have set over us because of our sins; They also rule over our bodies And over our cattle as they please, So we are in great distress.

From the N.T., consider

1 Pet 2:13 Submit yourselves for the Lord's sake to every human institution, whether to a king as the one in authority,<sup>14</sup> or to governors as sent by him for the punishment of evildoers and the praise of those who do right.<sup>15</sup> For such is the will of God that by doing right you may silence the ignorance of foolish men.<sup>16</sup> Act as free men, and do not use your freedom as a covering for evil, but use it as bondslaves of God.<sup>17</sup> Honor all people, love the brotherhood, fear God, honor the king.

Again, “Freedom”, or “liberty” – *elutheria*, = Freedom governed by morality
