Welcome / Prayer

Remember my 3 new laws of our current world's system?

- 1) They lie about everything they say
- 2) Everything the government has they stole
- 3) They want you dead

This is the "they want you dead" episode

Jim Jordan – chairman of the house, select subcommittee on the Weaponization of the Federal Government
Wait – what?? Why would we need this??

Uncovering all kinds of things dealing with conservatives as terrorists

- **Latest** being flagging transactions with terms dealing with conservatism
- Individuals who shopped at stores like Cabela's or Dick's Sporting Goods, or purchased religious texts like a bible, may also have had their transactions flagged
- Subcommittee obtained documents showing that FinCEN distributed slides, prepared by a financial institution, explaining how other financial institutions can use MCC codes to detect customers whose transactions may reflect "potential Domestic Terrorists /Homegrown Violent Extremists. For example, the slides instruct financial institutions to query for transactions using certain MCC codes such as "3484: SmallArms," "5091: Sporting and Recreational Goods andSupplies," and the keywords "Cabela's," and "Dick's SportingGoods," among several others.⁵

This just came out

- May, 2021, CDC Drafted and then stopped a notification intended for transmission through the Health Alert Network, or HAN, which the CDC uses to disseminate notices to hospitals, doctors and health agencies throughout the nation, that the Covid vaccine causes myocarditis.
- They knew.
- They instead doubled down with big pharma and social media to silence all dissent. Now we have Ed Dowd, a numbers analyst showing the carnage.

Edward Dowd – billionaire / had reckoning when #s he tracked pointed to democide
So a pattern seems to be emerging...congress sponsoring a disease X bill, WHO shouting about disease X, WEF agenda item this week on disease X. And this in the UK.

- **Referring** to UK scientists starting to make new vaccines against a disease that doesn't exist.

Why? (McCullough, 41:10 to 43:07)

- Fauci's testimony – "just ahead of my own congressional testimony" i.e. he was there!
- Fauci admits: We gave tax dollars to China to develop & release the bioweapon SO THAT we could make vaxxines

Remember the East Palestine, OH train derailment w/ chemical cars upset?

- They lit off the cars to burn it all
- Sent a toxic plume into the air that settled on the town, rainbows showing up in ground, creeks
- "We basically nuked a town with chemicals so we could get a railroad open," Sig Caggiano, a hazardous materials specialist, said at the time.
- EPA said 3 days later "It's all good, there's no harm here"
- People start having all kinds of ailments from rashes to seizures

- “Dioxins don’t go away,” independent testing expert Scott Smith said. “You get exposed over time. And dioxins, I say, are the fentanyl of chemicals.”
- In March, an independent testing expert confirmed residents’ fears that carcinogens were in the water that the Ohio EP was not finding. More tests revealed dioxins — the most toxic compounds on the planet — in the soil, water and people’s air filters.
- In July, Ohio Gov. Mike DeWine requested that Biden issue a disaster declaration
- We have gotten a big old middle finger

Government Accountability Project FOIA’d EPA saying you said everything is fine but our independents are all saying the opposite

FOIA’d about online censorship of posts relating to injuries & effects too.

Again – collaboration between gov and social media

Point – YOU”RE gonna look like a weirdo if you want to know what is really happening.

Deal with it and learn how to cover yourself or be willfully ignorant and suffer for it.

Review

Our “training wheels” to maturity, dealing with really knowing God holds us in the palm of His hand –

Psalm 37

1) fret not *thyself*

2) trust in the Lord (to figure this out / work it out)

3) delight *thyself* in the Lord

- Illustration – “Solitude”

4) COMMIT 5 **Commit** thy way unto the LORD; trust also in him; and he shall bring it to pass. 6 And he shall bring forth thy righteousness as the light, and thy judgment as the noonday.

Commit = rolling it up, like putting it in an envelope, licking and putting in the mail.

- Can’t reach back into the mailbox, can you?
- Can use this word ‘roll up’ in various degrees. This one means PERMANENT

Then we asked the question – if you committed this to God already, why are you spewing it all over me?

It’s because it wasn’t committed PERMANENT-ly

So God awaits your exhaustion while you thrash, spew all over everyone who will listen and hoarse out your voice ‘fretting’ about the issue.

KEY

Looking at this set of training wheels, why do we always have difficulty with Step 4 Commit PERMANENTLY?

Because we go from Step 2 Trust, to Step 4 Commit BYPASSING Step 3 which is to fall in love with your best friend and be so taken with Him nothing else matters.

Consider the mount of transfiguration.

Matt 17:1 Six days later Jesus *took with Him Peter and James and John his brother, and *led them up on a high mountain by themselves. ² And He was transfigured before them; and His face shone like the sun, and His garments became as white as light. ³ And behold, Moses and Elijah appeared to them, talking with Him.

At that moment, do you suppose they were worried about

- How they'd get money for mandatory taxes when they didn't have steady income
- Jesus' statement about being delivered over into the hands of men
- who would have ranking position in the kingdom?

Where in the Bible does it say we can only get "this" close to Him?

When we pray, "God, give me more of You" and it doesn't happen, why might this be?

The Christian walk is that of self crucifixion, death to self desires (ouch!)

2 Cor 4: 7 But we have this treasure in earthen vessels, so that the surpassing greatness of the power will be of God and not from ourselves;

8 we are afflicted in every way, but not crushed; perplexed, but not despairing; 9 persecuted, but not forsaken; struck down, but not destroyed; 10 always carrying about in the body the dying of Jesus, so that the life of Jesus also may be manifested in our body. 11 For we who live are constantly being delivered over to death for Jesus' sake, so that the life of Jesus also may be manifested in our mortal flesh. 12 So death works in us, but life in you.

So we're basically through the woods on Habits – forming or breaking.

1. We've stopped stewing about it
2. We trust God is better at making us strong than we are
3. We take up with the Lord 100%
4. We commit our problem permanently

Now we rest.

5) REST 7 Rest in the LORD, and wait patiently for him: fret not thyself because of him who prospereth in his way, because of the man who bringeth wicked devices to pass.

The word is "rest" – what does that mean?

It's to Be, Strike as, or Grow DUMB -- keep silent, or HUSH!

From Gesenius' Hebrew-Chaldee Lexicon

It's an onomatopoeic word – makes a sound associated with rest (I couldn't get blueletterbible sound to work)

What are some onomatopoeic words?

If I said, "Make sure you gargle" – everyone knows what that word MEANS but its etymology stems from the sounds that the throat makes when you actually gargle!

Slide

Note. This root is onomatopoeic, and one which is widely spread in other families of languages, and equally with the kindred roots הָקַם, הָיַם, הָקַח, and Gr. *psis*, it is an imitation of the sound of the shut mouth (*hm, dm*). Its proper meaning therefore, is to be dumb, which is applied both to *silence and quietness*, and also to the *stupefaction* of one who is lost in wonder and astonishment; and also in the

In other words – dumbstruck, like this picture in both action and attitude

“wait patiently” – this is 1 word,

- Just means what it says and used similarly in Genesis when Noah “stayed there” another 7 days & sent out the dove. What could he do? He was on the boat!

Note it's not translated wait IMPATIENTLY – like the guy at the food buffet?

Do you think God ever tests us in this?

- We leave it at the altar
- We then work it into every conversation we have

Could an unsolved issue be more so a tool for time in His presence than an answer from His hand?

(could it be that a struggle continues because God is wanting us to take some down-time with Him so He can do some work in us?)

- Jesus prayed 3 times Gethsemane
- Paul entreated 3 times thorn in flesh
- Daniel prayed often/daily

Resistance builds strength.

Metaphorically, why do we pay for gym memberships then whine when we don't look like Henry Cavill the next morning?

6) **CEASE** 8 Cease from anger, and forsake wrath: fret not thyself in any wise to do evil. 9 For evildoers shall be cut off: but those that wait upon the LORD, they shall inherit the earth

Cease – slacken as in to let go of the rope and watch it drop. Illustrated by when you get home & drop into your easy chair

Anger – this word describes the nose of men & animals when breathing changes and the nostrils flare
Any intense emotion

Forsake -- to let alone, leave, abandon, apostatize / to let go, to free, remit – like when you return the rental car.

You don't "almost" return the rental before your flight...

Wrath – the hot boiling acid you feel in your stomach when you're really angry with someone

In other words, LET it go.

"Let" = It will happen unless you prevent it

Illustration:

Proverbs 26:20 For lack of wood the fire goes out, And where there is no whisperer, contention quiets down.

Consider the word Let in N.T.

Col 3: 15 Let the peace of Christ rule in your hearts, to which indeed you were called in one body; and be thankful. ¹⁶ Let the word of Christ richly dwell within you
