Be mindful of what the vets are doing to your pets. Most don't know what'd going on w/ mRNA

- Dr. Sherry Tenpenny interview w/ homeopathic veterinary doctor Faulkner:
- a new self-amplifying RNA (saRNA) rabies vaccine for dogs.
- Dr. Faulkner confirmed that the documented side effects in dogs are clinically indistinguishable from actual rabies symptoms. Dogs have reportedly progressed from being tepid to displaying outright aggression, biting, excessive salivation, and rage.
- If a vaccinated dog licks its owner—on hands, face, or an open wound—could this replicating genetic material pose a transmission risk? Could it, in any way, contribute to the spread of the rabies blueprint to humans?
- The answer from the expert was not reassuring. It was, "Nobody knows. Nobody's really looked at that."

Here's Catherine Austin Fitts again – discussing digital ID

(play video)

Remember vaccine passports? What was their purpose?

(scroll down for meme)

It's ALL about control.

They frame it as eliminating illegal migration – which they CAUSED in the first place. Hegelian Dialectic (George Hegel, 18h cent.)

Lots of pushback in Great Britain on digital ID being rammed in, during October (now).

<https://x.com/shellenberger/status/1974110616123322827>

They are just doubling down. There's no other option for them.

Larry Ellison (Billionaire, owns Oracle, CNN – why would he own that??, need I say more?)

He is the funding agent behind this push. "Blair and the billionaire"

- "Citizens will be on their best behavior because we're constantly watching & recording everything that's going on."
- "This is the last year you will log into an Oracle system with a password."
 - You'll use biometric data
 - (intranet, Peoplesoft, banking systems)
 - Your bio is just a stream of 1s and 0s like a password only more complex but passwords aren't guessed they're hacked
 - So this is making you even more vulnerable
- "need to centralize all data on the planet so AI can consume it and you can control AI's use of it" – even Oxford says this is a huge vulnerability

Nobody is talking about the vulnerability of the a.i. Monster in control of your data.

Why is this a big deal? Because it's a 1-way street to armageddon.

Re 13:7 It was also given to him to make war with the saints and to overcome them, and authority over every tribe and people and tongue and nation was given to him

Consider this –

1Ti 1:9 realizing the fact that law is not made for a righteous person, but for those who are lawless and rebellious, for the ungodly and sinners, for the unholy and profane, for those who kill their fathers or mothers, for murderers 10 and immoral men and homosexuals and kidnappers and liars and perjurers, and whatever else is contrary to sound teaching,

And this

2Tim3: 1 But realize this, that in the last days difficult times will come. 2 For men will be lovers of self, lovers of money, boastful, arrogant, revilers, disobedient to parents, ungrateful, unholy, 3 unloving, irreconcilable, malicious gossips, without self-control, brutal, haters of good, 4 treacherous, reckless, conceited, lovers of pleasure rather than lovers of God, 5 holding to a form of godliness, although they have denied its power;

Laws are very much needed for this people today.

The extreme end of lawlessness requires digital ID & CBDC for complete control.

But if my people... And this is why we pray together for our nation.

- It is a sacrifice
- God is there listening
- Or the bible is lying to us, decide for yourself.

If you want to go to battle, for an eternal purpose that can't be taken from you, "INVEST" yourself in Wed PM Prayer

Meanwhile - The Great Sweet Potato Dig was visited by several families, we're considering growing slips for the group & offering land

Also, I asked chatgpt about this last Monday – the Sweet Potato takes the #1 spot hands down.

Left off at the 2nd 'giving over', where they worship all this weird stuff, but is it so unknown, even if not by name?

God's response to this willful exchange (the 2nd 'gave over')

26 For this reason God gave them over to degrading passions; for their women exchanged the natural function for that which is unnatural, 27 and in the same way also the men abandoned the natural function of the woman and burned in their desire toward one another, men with men committing indecent acts and receiving in their own persons the due penalty of their error.

- Sin deceives: Heb 3:13 But encourage one another every day, as long as it is still called "today," so that none of you will be hardened by the deceitfulness of sin.
- Who were they worshipping? System of idolatry led to Mars, Jupiter, Venus
- Venus –
 - sexual! Married to Vulcan, had affair with Mars
 - her sexuality was not shameful but divinely powerful, seen as a virtue
- Jupiter –
 - Married to Juno but consistently unfaithful,
 - resorted to all kinds of desceptive tactics to have sex with women & goddesses
 - sexuality seen as divine authority, dominance
- Baal
 - god of fertility (for the land),
 - worshipped using fertility activities (sex orgies) to get good crops

- temple prostitution made this easy
- Ashtoreth (variations)
 - sensual, connected to sex, reproduction, fertility
 - could be sensual and wrathful

If these are their heroes, whom they worship, what would be the fruits of this worship?

The final 'giving over'

28 And just as they did not see fit to acknowledge God any longer, God gave them over to a depraved mind, to do those things which are not proper, 29 being filled with all unrighteousness, wickedness, greed, evil; full of envy, murder, strife, deceit, malice; they are gossips, 30 slanderers, haters of God, insolent, arrogant, boastful, inventors of evil, disobedient to parents, 31 without understanding, untrustworthy, unloving, unmerciful;

Consider the blue haired Kirk hating, hard left, George Floyd rioting (as opposed to Kirk vigils) people

- Does this not describe them?
- Can you see how they got here now?

Are they aware?

32 and although they know the ordinance of God, that those who practice such things are worthy of death, they not only do the same, but also give hearty approval to those who practice them.

- David Lee Roth interview

So is it fair? Wrong question.

Do they want the truth – that's the question.

-Ans: no, Rom 1 they made for themselves a heart of clay which when subjected to sunlight, it hardens.
(vs butter)

Jesus said

John 9: ⁵ "While I am in the world, I am the Light of the world."

He also said

Matthew 5:14 "You are the light of the world. A city set on a hill cannot be hidden;

Light has an effect on the objects on which it shines

- cockroaches flee from it
- ladybugs (real ones) are drawn to it.
