[Fully](#) vaxxed lose 25y?

Researchers analyzed government data from the U.S. Centers for Disease Control and Prevention (CDC), Cleveland Clinic Data, and insurance company risk assessment data.

- In fact, CDC All-Cause Mortality data shows that each vaccine dose increased mortality by 7% in the year 2022 compared to the mortality in 2021.
- Those who have had 5 doses were 35% more likely to die in 2022 than they were in 2021.
- If you have had one dose then you were 7% more likely to die in 2022 than you were in 2021.
- If you are unvaxxed then you were no more likely to die in 2022 than you were in 2021.

Australia

- Recent government data out of Australia shows that the excess deaths in 2022 were 5162% higher than in previous years.
- A year ago, doubly vaccinated Australians were 10.72x more likely to catch Omicron than the unvaxxed.
- Now they are 20 times more likely and the triply or more vaxxed are 35x more likely, as the latest NSW Health stats show.

SOLUTIONS

World Council For Health – published a pamphlet on vaxxine-with-the-double-x detox

[This is an evolving guide with emerging information on how to clear viral and vaccine-induced spike proteins from the body. The lists of herbal and other medicines and supplements have been compiled in a collaboration between international doctors, scientists, and holistic medical practitioners.](#)

FLCCC

The core problem in post-vaccine syndrome is long-lasting “immune dysregulation.” The most important treatment goal is to help the body restore a healthy immune system — in other words, to let the body heal itself. Our recommended treatment strategy involves two major approaches:

1. Promote autophagy to help rid the cells of the spike protein
2. Use interventions that limit the toxicity/pathogenicity of the spike protein

For dosing on suggested protocols they link to a comprehensive guide called, ““An Approach to Managing Post-Vaccine Syndrome””

[BNPL](#) – buy now pay later

CNBC over ½ live paycheck to paycheck

- use BNPL for what? Homes? Cars? What else?
- [Now, consumers are also using these same BNPL apps for everyday buys, such as grocery shopping, bill payments or fuel top-ups. A survey carried out from LendingTree Inc and reported by Bloomberg showed that almost half of all Americans have used BNPL apps, and of those, about one in five rely on such apps to buy groceries.](#)

- POINT – beans and rice are cheap. Pool together for meats, get an extra freezer if necessary.

Review (see above)

How do you un-harden a heart?

Eze 36:26 "Moreover, I will give you a new heart and put a new spirit within you; and I will remove the heart of stone from your flesh and give you a heart of flesh.

again

2Co 5:17 Therefore if any man *be* in Christ, *he is* a new creature: old things are passed away; behold, all things are become new.

- God spoke to the nation of hard hearted Israelites in Ezek 36:26 (just read it).
Did God tell them to remove their hearts of stone and replace with a heart of flesh?
- Does God EVER ask ANYONE to remove their stony hearts and change it with a heart of flesh?
- Why doesn't He?
Jer 17:9 "The heart is more deceitful than all else And is desperately sick; Who can understand it?"

Consider David.

- A nobody, lowest rank in the family,
- What was his job? → lowest ranking job in the nation
- Became King
- Lusted over his neighbor's wife, raped her
- killed the husband "so it would be OK"

See this kind of underhanded dealing today in any way?

We see power brokers do this all the time

- Clinton machine?
- Obama admin – Andrew Breitbart ?
- How many whistleblowers have committed suicide?
- Throughout Coronavirus – what DID they tell us that was true, other than people are getting sick & dying?
 - (if that weren't true, it wouldn't be much of a pandemic)
 - Setting leadership cred a pandemic by saying, "people are getting sick" is a pretty low bar...)

Wouldn't it take a heart of stone to do your loyal friend & neighbor like that?? What the heck!

In Psalm 51 David writes (as we're all familiar with), "Create in me a clean heart"

- same word in Genesis 1:1!

David repented and died a great king

Point:

God can take out the stony heart and replace it with a child-like heart

Man can not. Man is not told to do this.

Man is told to decide what heart they want

Example – here is wisdom:

- Worldly people chase wealth & power wanting to be rich.
 - They never reach it because each new level is a challenge to the next level
 - (Dad – story of his rich friends who said with incredulity, "It's NEVER enough!")
 - They die miserable

- The Godly are satisfied with God and His provisions. Satisfaction or contentment IS the riches the worldly seek!!
 - Smyrna – Rev 2:9 “I know your affliction and your poverty, though you are rich!”
 - **1Ti 6:5-6** men of depraved mind and deprived of the truth, who suppose that godliness is a means of gain. But godliness *actually* is a means of great gain when accompanied by contentment.

(2Co 5:17 Therefore if any man *be* in Christ, *he is* a new creature: old things are passed away; behold, all things are become new.)

It's desires that get us into trouble.

It's not desire that gets us out of trouble

It is repentance / turning that brings the power of God into the life

Ps 37:4 Delight yourself in the LORD; And He will give you the desires of your heart

- Do your desires cause you to party with the world's system / to stumble?
- Decide, and Party in the Lord and watch what happens to your desires.

It's not on him/her to remove the old heart.

It's on him/her to turn and ask God for it.

It's on us to show them this path
