Paul Nakasone – was in charge of mass surveillance at NSA now in charge of same thing for Open A.I.

On board of Open A.I.

Outsourced surveillance on Americans through European agencies (because it's illegal here...)

Now Open A.I. is in the process of being weaponized against humanity

165p. paper by whistleblower from Open A.I.

A.I. Genius - Leopold Aschenbrenner

- By 2027 AGI will be achieved. (every cognitive function will be replaceable / automated)
 - Insurance claim adjuster, radiology interpretation, all customer service etc. Will be your coworker.

AI needs to be trained. Who is training it? Wokeism? Men can have babies?

This is NOT Artificial Superintelligence.

- When AGI agents can function as A.I. researchers and developers themselves, you can get ASI.
- "Improve yourself" as a task. And it doesn't sleep!
- Result: explosion in ASI, ending w/ a superintelligent machine – similar to what Mashayosi Sun said theyd put on global 5/6G network
- Infiltrate everything/anything to influence & control, set own goals, and be the ultimate weapon.

Governments of the world are all wanting to be the 1st to wield this power.

- Will give a Decisive military advantage, most powerful weapon ever created
- Rogue states could use for annihilation
- Says China & Russia are our biggest threat to having this.

Aschenbrenner Considers the United States the good guys, is vying for the U.S. to obtain this

- Calls for US Gov to exercise authoritarian power to monopoly control over AI companies
- Believes we are a liberty-oriented democracy

Imagine A.I. in the hands of "Joe Biden"

A government that is currently weaponized against its citizens

- Taxpayer funded Covid creation by NIAID / Eco Health Alliance partnership & University of North Carolina at Chapel Hill virologist Ralph Baric
- lockdowns & business decimation / exhaustion of the middle class
- Pokers of the Russian bear to incite global war to hide the dying US Dollar's use
- Taxpayer funded open borders and bussing in prisoners from central/south America to a town near you – hundreds of millions\$

Point – keep your head on a swivel.

- Don't go along with the news/government/medical narrative.
- For people who can't deal with this, what will they do when it comes about as Jesus said – Luke 21 men's hearts fail them for fear

Review –

The bride learned that if she wants intimacy with the groom she needs to separate from other attractions. She did not want to get up & soil her feet.

What attractions get in the way of intimacy with Christ?

- Anything that you get busy doing
- Convenience
- Food
- Comforts of this world etc.

She finally gets out of bed & goes after Him. She knows he's in vineyard, but decides to go through others.

- Crisis hits us, and we KNOW who to turn to, but often we go to others first.
- Last time she sought after him, the Watchmen found her, she asked them where He is and there was no issue
- Last time, she was more interested in what God provided for her, much like watchmen are
- THIS time she wants Him for who He is, does the same thing only she gets beaten by the watchmen
- "who do you think you are??"

Martha does not feel the same way about Jesus as Mary did.

Martha wasn't unsaved.

Luke 10: 41 "Martha, Martha," the Lord replied, "you are worried and upset about many things. 42 But only one thing is necessary. Mary has chosen the good portion, and it will not be taken away from her."

These wounds or attacks come from well meaning people who may actually be in love with Jesus themselves, but still have a huge attachment on their works.

If you show them your pearls, they will cut at you, saying things like

- It's not that simple, you can't just pray
- "We" do a lot of work in the church and you just marginalized all their volunteer effort
- Stop trying to be so hyperspiritual and just be a normal Christian
- Besides, what is a relationship with God, more than clean living, a good job, a good home
 - This is actually a dangerous place to dwell – ask Laodicea about that!

It would be easy to hate that, but recognize it for what it is.

- it's chastening for our good.
- it's a real-life lesson of pearls before swine (Jesus cautioned this)
 - pearls-before-swine is a concept – the pig doesn't understand the pearl you just cast before it
 - it's not that THEY are pigs, or unsaved,
 - it's the story of the silver dollar my dad gave me that I spent for candy
- it's a real-life lesson that intimacy is between you and Jesus (don't kiss-and-tell)
- It also SHOULD Have the effect of preventing YOU from ever treating someone else that way.

Amazingly, she answers Him but her description of Him is much different from early on in her relationship with Him e.g. Ch1-2 Great house, He gives great gifts, is a killer cook, makes the best raisin cakes and wonderful apple pie, This time 5:10-16 she brags about He Himself!

She wasn't able to do this before, but now can.

Song 5: 10 "My beloved is dazzling and ruddy, Outstanding among ten thousand. ¹¹ "His head is *like* gold, pure gold; His locks are *like* clusters of dates *And* black as a raven. ¹² "His eyes are like doves Beside streams of water, Bathed in milk, *And* reposed in *their* setting. ¹³ "His cheeks are like a bed of balsam, Banks of sweet-scented herbs; His lips are lilies Dripping with liquid myrrh. ¹⁴ "His hands are rods of gold Set with beryl; His abdomen is carved ivory Inlaid with sapphires. ¹⁵ "His legs are pillars of alabaster Set on pedestals of pure gold; His appearance is like Lebanon Choice as the cedars. ¹⁶ "His mouth is *full of* sweetness. And he is wholly desirable. This is my beloved and this is my friend, O daughters of Jerusalem."

Worship here at our church / many churches in the U.S. is a weird scenario because it is filled with singing and then dead-air space where praise / adoration should fill, between songs.
But this praise and adoration – words that describe Him like (Song 5:10-16) are learned only through getting to know Him 1-on-1

Give an example of a movie star or singer you might consider popular

- Tell me about them
- Are you able to describe them like Song 5:10-16?
- What kind of description can you give about who they are?

Give an example of someone who through thick & thin helped shape your life (thru 'good' and 'bad')

- Tell me about them
- Are you able to describe them like Song 5:10-16?
- What kind of description can you give about who they are?

Why the difference?

This example is "captain obvious" but it should show the gap between where we might be now and where we will be when as we learn to rest in Him.

- Fear has an absolute death grip on us for praising outloud.
- We can sing, we can clap, but we cannot go it alone and tell God who He is to us aloud. Why is this??
- Sarah deals with this every single week, down to her own nerves / absence of her own feeling of well-being

But how would you get everyone here to just up & begin lauding personal attributes/praises about that movie star that nobody really knows intimately?

{ bogus 6:2 starts revealing how others will ask to follow us where we are following after Him once we don't react to their provocation, and press on toward the mark }

Again 2 different types: Ezekiel, and 2 types of priests.

Daughters of Jerusalem / Watchmen type priests

God is telling Ezekiel that foreigners / uncircumcised (unsaved people) won't have a part in the Kingdom but at least
Ezekiel 44: 10 "But the Levites who went far from Me when Israel went astray, who went astray from Me after their idols, shall bear the punishment for their iniquity. ¹¹ "Yet they shall be ministers in My sanctuary, having oversight at the gates of the house and ministering in the house; they shall slaughter the burnt offering and the sacrifice for the people, and they shall stand before them to minister to them.

Wade Taylor says, "An idol is anything that becomes a substitute, or takes the place of the Lord in our spiritual experience."

Here we have more "daughter of Jerusalem / watchmen" more interested in themselves than they were God.

- Israel went after idols, these priests said "bring 'em in, use them in worship to God"
- Might call them "seeker sensitive church"?
- They can do the work of God but they are not able to minister to the God of the work (See v. 13)
12 "Because they ministered to them before their idols and became a stumbling block of iniquity to the house of Israel, therefore I have sworn against them," declares the Lord GOD, "that they shall bear *the punishment for* their iniquity. ¹³ "And they shall not come near to Me to serve as a priest to Me, nor come near to any of My holy things, to the things that are most holy; but they will bear their shame and their abominations which they have committed.

They were not able to minister to the God of the Work because they lost holiness

Holiness is separation

Separation is required for intimacy. (same in a physical marriage, unless you're supermormon hahaha)

Like Martha, This convincing-of-the-work-they do is as important as what Mary did is so real they say, "What is your beloved more than another beloved?"

And there are bruises, There are wounds.

They take offense

Bride type priests

15 "But the Levitical priests, the sons of Zadok, who kept charge of My sanctuary when the sons of Israel went astray from Me, shall come near to Me to minister to Me; and they shall stand before Me to offer Me the fat and the blood," declares the Lord GOD. ¹⁶ "They shall enter My sanctuary; they shall come near to My table to minister to Me and keep My charge.

Israel goes into idolatry → sons of Zadok maintain the high standards of holiness, prohibit them from bringing their idols in.

- They understand separation / holiness
- Therefore they are able to minister to God Himself

Remember how when Jesus appears we will be like Him for we will see Him just as He is, and that he who has this hope fixed on Him purifies himself?

That progressively, He already IS revealing Himself to those who are separating unto Him?

Ezek 44:23 23 "Moreover, they shall teach My people *the difference* between the holy and the profane, and cause them to discern between the unclean and the clean.

This is discernment. Discernment is identification of something with another or against another

- e.g. This pair of shoes is my wife, this other pair of shoes – no way.

The only way to discern the holy from the profane is through separation that comes in the pursuit of closeness to Jesus.

- The Bride 'gets this'
- The watchmen do not
- The watchmen (the 1st type of Ezekiel priests) are in love with the work and will even compromise to make it palatable for people
 - Probably going to get yelled at again for this. There was a smoke machine craze for awhile.
