Albania appoints world's first AI-made minister

- During the summer, Rama mused that one day the country could have a digital minister and even an AI prime minister, but few thought that day would come around so quickly.
- "100 percent incorruptible and where every public fund that goes through the tender procedure is 100 percent legible."

Here's a pic of her.

Problem?

Absolutely, it's a big problem. It will eventually gain 'human rights'.

- Rights are based on sentience and morality, must believe God exists (inalienable), AI lacks this entirely
- "personhood" of corporations absolves people like Albert Bourla & Tal Zaks from Capital Murder as they can hide behind the corp as a legal shield.
 - This means they can use AI to run your car into a bridge and say oh well
 - This means they can depopulate masses in trade or foreign policy and say, oops
- Rights belong to people who can suffer and enjoy.
- When A.I. commits a crime, how do you punish it? Who do you even punish?

In case you're wondering how they did that with Deilla, in 2019 they came up with <https://thispersondoesnotexist.com/> for our enjoyment.

Kirk killing –

Never believe the official narrative

<https://x.com/2Smartski/status/1969453063032176677>

They lie even when they don't have to.

Latest: <https://x.com/DowdEdward/status/1969579944167817452>

So the 30-06 bullet didn't make it through his neck, Edward Dowd posted allegedly ER doc working on Kirk says *His bone was so healthy and the density was so so impressive that he's like the man of steel. It should have just gone through and through. It likely would have killed those standing behind him too.*

Moving on...

We'd been largely discussing the Christian's reaction to the Left's response to the killing.

"see what hate speech gets you?"

"Kill his wife and kids too."

We discussed they have a veil over their heart. They CANNOT see.

Left off:

And again

John 12:37 But though He had performed so many signs before them, yet they were not believing in Him. ³⁸ *This was to fulfill the word of Isaiah the prophet which he spoke: "LORD, WHO HAS BELIEVED OUR REPORT? AND TO WHOM HAS THE ARM OF THE LORD BEEN REVEALED?"* ³⁹ For this reason they could not believe, for Isaiah said again, ⁴⁰ "HE HAS BLINDED THEIR EYES AND HE HARDENED THEIR HEART, SO THAT THEY WOULD NOT SEE WITH

THEIR EYES AND PERCEIVE WITH THEIR HEART, AND BE CONVERTED AND I HEAL THEM." ⁴¹ These things Isaiah said because he saw His glory, and he spoke of Him.

Is this fair that God did that to them?
