Welcome, Prayer

- The co-founder of Moderna just launched a new company. This time, the target is not your body. It is your food.
- Terrana Biosciences, backed by \$50 million from Flagship Pioneering, the same firm behind Moderna, is developing RNA-based sprays designed to be applied directly to crops. The company describes it as "speaking the plant's language," using AI-driven RNA technology to reprogram how plants grow
- One of Terrana's three product categories is explicitly described as performing like a programmable vaccine, training plants to recognize pathogens and destroy them before they become infections. The sprays can be applied to leaves, coated onto seeds, and used post-harvest. Once inside the plant, the RNA remains long enough to carry out its intended function and in some cases can be inherited by the next generation of the plant.
- The company insists that its RNA will be broken down by the human digestive system before reaching our cells.
- Do you believe them? Did their vaccine stay in the arm like they said it does?
- How will you know what food has this? Is this radical? Should the response be radical or mild?

- Insight: So digital price tags being introduced into the massive oligopoly's in retail food supply chains, are a clear sign that the food corpocracy are preparing for real time pricing in a fast moving extreme potentially inflationary environment.
- How else will they be able to use this once in?
  - Increase pricing on popularly selling items / reduce for other (gouge / clearance)
  - Your price based on your cell phone (you), social credit score

Can see how they are laying the groundwork for the beast system, full spectrum dominance

## EZRA 4

here's where the enemies of Judah come in to rabble-rouse

Ez 4:1 Now when the enemies of Judah and Benjamin heard that the people of the exile were building a temple to the LORD God of Israel, <sup>2</sup> they approached Zerubbabel and the heads of fathers' *households*, and said to them, "Let us build with you, for we, like you, seek your God; and we have been sacrificing to Him since the days of Esarhaddon king of Assyria, who brought us up here."

I don't understand what's going on here. Why would their enemies have such a change of heart?

But who would ever DO something like this?

How does this teach us to watch out for our country today?

Are there any examples you can think of where Ezra 4:1-2 fall under "nothing new under the sun"?

The Tea Party (2009–2016):

- How it started
- Decentralized, grassroots
- Fiscal restraint, constitutional limits, anti-bailout
- Suspicious of elites in both parties

### What entered “as allies”

- National political operatives
- Big donors and PACs
- Media branding machines
- Career politicians adopting the label

### What changed internally

- Messaging narrowed
- Local groups lost control
- The movement became a brand more than a project
- Energy shifted from reform → performative opposition

### Ezra 4 match:

- ✓ Claimed alignment
- ✓ Entered with permission
- ✓ Redirected priorities
- ✓ Original builders sidelined

### MAGA (2015–present)

#### Early MAGA

- Populist, anti-establishment
- Hostile to GOP elites
- High trust among insiders

#### What happened inside

- Loyalty replaced discernment
- Criticism became betrayal, calling balls & strikes makes you a commie libtard
- Movement goals blurred into defense of the identity of maga
- Builders became audience members

#### Ezra 4 match?

- ✓ Shared language
- ✓ Internal access
- ✓ Influence without formal authority
- ✓ Result: fragmentation, burnout, loss of clarity

Zerubbabel didn't give into this, saw thru the fake MAGA stuff and said now.

They resorted to fear tactics

Ezra 4:<sup>3</sup> But Zerubbabel and Jeshua and the rest of the heads of fathers' *households* of Israel said to them, "You have nothing in common with us in building a house to our God; but we ourselves will together build to the LORD God of Israel, as King Cyrus, the king of Persia has commanded us." <sup>4</sup> Then the people of the land discouraged the people of Judah, and frightened them from building, <sup>5</sup> and hired counselors against them to frustrate their counsel all the days of Cyrus king of Persia, even until the reign of Darius king of Persia.

Then after Cyrus went away, the enemies of the Jews wrote to the new king, Artaxerxes, and basically said “These guys are wicked and rebellious, if you let them continue they will wall off and stop paying tribute and you’ll suffer financial loss.

(Like they care about Artaxerxes...)

They said go back and look at their history – you'll see. So he did, and came back with a stop-work order

The sycophants ran to the Jews and said, "See? you have to stop now."

**This is all true**, but it's one-sided and obscures personal change. (The Jews weren't rebellious like they were, and the enemy is pointing to their PAST!)

**What happened in the church of Corinth, the 1<sup>st</sup> letter, what was the scandal?**

a guy slept with his dad's wife and dad knew it

**2 Corinthians 7:12 (NASB)** So although I wrote to you, *it was* not for the sake of the offender nor for the sake of the one offended, but that your earnestness on our behalf might be made known to you in the sight of God.

Back in Genesis we saw this

**Ge 35:22** It came about while Israel was dwelling in that land, that Reuben went and lay with Bilhah his father's concubine, and Israel heard *of it*. Now there were twelve sons of Jacob— and he was disinherited for this in

**Genesis 49:4 (NASB)** "Uncontrolled as water, you shall not have preeminence, Because you went up to your father's bed; Then you defiled *it*--he went up to my couch.

**What was the Corinthian guy's punishment?**

**1Co 5:5** *I have decided* to deliver such a one to Satan for the destruction of his flesh, so that his spirit may be saved in the day of the Lord Jesus.

**And** that's that. To Heck with him right? (you know where Heck is, right?)

No.

2 Cor 2: <sup>5</sup> But if any has caused sorrow, he has caused sorrow not to me, but in some degree--in order not to say too much--to all of you. <sup>6</sup> Sufficient for such a one is this punishment which *was inflicted* by the majority, <sup>7</sup> so that on the contrary you should rather forgive and comfort *him*, otherwise such a one might be overwhelmed by excessive sorrow. <sup>8</sup> Wherefore I urge you to reaffirm *your* love for him.

**Has anyone failed before in some area?**

**Has the enemy ever (through this system, through others) reminded you of your past?**

**Ga 6:1** Brethren, even if anyone is caught in any trespass, you who are spiritual, restore such a one in a spirit of gentleness; *each one* looking to yourself, so that you too will not be tempted.

"restore" **katartizō, kat-ar-tid'-zo**: to complete thoroughly, i.e. repair (literally or figuratively) or adjust:—fit, frame, mend, (make) perfect(-ly join together), prepare, restore.
