PRAYER GUIDE

F a i t h C h u r c h

As we begin our 21-day fasting journey, we are boldly and intentionally pursuing the Lord and His power in our lives. We are standing in agreement for His strength and grace to be poured out freshly. We need a refreshing wind of the Holy Spirit to blow!

We are praying and declaring a fresh outpouring of the Holy Spirit to change the atmosphere of our homes, our jobs and our families.

Our focus this year is "Take the Limits Off". We serve a limitless God who does the impossible. He transcends human comprehension and contains boundless power and knowledge.

Psalm 147:5 says: "How great is our Lord! His power is absolute! His understanding is beyond comprehension!" Nothing is too hard for Him for our God and we set our expectations for the miraculous!

Beginning today, lay aside everything that may hinder and distract you; get ready for a new season with the Lord -- a new level! Ask Him for a fresh word and a specific scripture that will set your course for this New Year. God wants to birth a fresh vision, breathe hope and life into your journey, and give you a new heart!

Spend time every day building yourself up by speaking in tongues so that the power of the Holy Spirit can fill you afresh.

We are praying and declaring that YOU will be filled with His Spirit and receive a new level of His anointing and power. Let's go deeper and have a fresh expectation for this year.

Take your foot off the brake and let the Holy Spirit really speak to you!

We love you,

Pastor Steve and Pastor Darla
