Gina Whitman

Principal

We are excited to introduce Mrs. Gina Vaughan Whitman as the founding (start-up) Principal for the lower grade school of Central Christian Academy. Gina grew up here at Central where she trusted Jesus Christ as her Savior and was baptized as a believer. She loves the Lord, believes strongly in the vision and mission of our church, and desires to serve the many people in our community.

She received her Bachelor's in Business Administration from Barton College and her Master's in School Administration from Campbell University. Mrs. Whitman has over 10 years of educational experience with the Wake and Johnston County Public School Systems. She taught in various grade levels, acted as advisor to FBLA and other clubs, sat on a large Johnston County SIT (School Improvement Team) and served as a county Special Populations Coordinator in the public school system. Mrs. Whitman comes to us following God's call, and she is excited about impacting the children in our community through Kingdom education starting with kindergarten this coming year, growing annually to eventually offer K-12th grade education.

On a personal note, Gina is married to John Whitman and is the mother of twin teenage sons, Andrew and Jackson. Gina and John own and operate the Arise Coffee Cottage, LLC (a local Christian coffee shop) in Wendell. Today, with family, friends, and an outstanding coffee shop team in place, she is blessed to be able to return to education but this time with a Kingdom focus. Gina is excited to partner with parents in our community in the education and spiritual development of their children.
