1. Pastor Carl made a powerful statement quoting from Colossians 1:27, saying “Christ in you which is the hope of glory means you have the ability to control the environment **WITHIN** you.” How can you cultivate God's presence in your daily life and believe **ON** the Lord instead of just **IN** Jesus?
2. Pastor mentioned that even though God calls us to walking in His righteousness, it’s not about living perfectly. The real question is whether or not we are living in God’s perfect will. How do we know if we are living in the perfect will of God?
3. Jesus endured the weight of Calvary, even to the point of being separated from the presence of His Father, but He knew that His Father was good and Jesus **TRUSTED** Him. When have you experienced God's peace during a trial in your own life and what truths did you hold onto during that time?
