1. Pastor started with an article explaining the deterioration of godliness in our nation, and called for those who have a voice to speak up against the evil in our nation. What godly decisions can we make that will affect generations to come?

2. Pastor Carl made a biblical connection with modern-day abortion to the sacrificial killing of the sons and daughters of Israel on the altars of Molech, which is a reference to Leviticus 20:1-5. After reading this passage, how do verses 4-5 apply to us today regarding turning a blind eye to the those who advocate for abortion?

3. When we think of the battle between unrighteousness and righteousness in our nation, it is easy to conclude that a new leader of a certain party will solve our problems. While policies do carry weight and indeed make it harder for evildoers to have their way, Pastor Carl says the real issue at hand is the HEART of those who do wrong. What are some ways we can LOVE those who don't stand for life, like Matthew 5:44 says? How can we have thoughtful, spirit-led, compassionate conversations with these people?
