1. Pastor shared what the secret of experiencing the heavenly realm is; it is a SECRET prayer life. What does “secret prayer” practically look like in our daily lives?

2. Answer this question to yourself: When was the last time you asked God, “Is there anything on Your heart that you’d like to tell me, Lord? How may I bless You? How may I be Your connection here on earth? Not my will, but THINE be done.” Now share with the group, how does this change our perspective when we pray from RELATIONSHIP instead of for RESOURCE?

3. Read Philippians 3:7-11. Verse 10 says “that I may KNOW him.” Pastor Carl shared a powerful truth. When you spend time alone with God and desire to truly know Him, you will NEVER leave that secret place alone. THAT is the secret. Jesus felt the full weight of sin, and was separated from God, so that we never have to be. How does this encourage you when you walk through seasons of loneliness?
