1. How can we cultivate spiritual preparedness in our daily lives to have the peace of God during turbulent times? What are some practical ways we can PREPARE for the battle before it comes?

2. Pastor Carl made a point during the sermon that it is not our good works that saves us, it is faith in Jesus ALONE that saves us and the works will come as a result of our salvation. How have you seen this be true in your life?

3. We had a moment in the service where the congregation was given the opportunity to receive salvation. Even though most of us in these life groups are saved, what are some areas of your life that you need God's transformation? How can surrendering your life to Jesus' control give you freedom from your past or struggles that you are currently going through?
